Dear Mr. Posillico:

The New York State Department of Environmental Conservation (NYSDEC) and the New York State Department of Health (NYSDOH) have reviewed the November 25, 2019 Soil Management Plan (SMP) for the referenced site. The document was prepared and submitted on your behalf by Roux Environmental Engineering and Geology, D.P.C. ("Roux"). Based on our review, the SMP appears complete, and is approved.
