Subject:	RE: Nassau Metals OU-2 (V00159) - Posillico Materials, LLC Soil Import Request Approval
Date:	Tuesday, July 15, 2025 2:54:07 PM

The Department has reviewed the request dated July 14, 2025 to import 100-200 cubic yards (CY) of fill material from Posillico Materials, LLC. Based on the information provided, the request is hereby approved.

The proposed fill material meets the Unrestricted and Groundwater Protection Soil Cleanup Objectives (SCOs). Therefore, this material may be placed below the demarcation layer or above the demarcation layer as part of the final site cover.

Testing in accordance with DER-10 and the Site Management Plan and approval by the Department is required for any additional material imported from this source.

Please reach out if you have any questions.

Best,
Marlen
