

PUBLIC NOTICE

Completion of Five-Year Review of Remedial Actions at Naval Weapons Industrial Reserve (NWIRP) Bethpage, New York.

The Navy in consultation with New York State Department of Environmental Conservation (NYSDEC) completed a five-year review of ongoing remedial actions (environmental cleanup) at four operable units on NWIRP Bethpage. This is the NWIRP's third five-year review.

The purpose of the five-year review is to ensure that remedial actions are providing adequate protection of human health and the environment. The findings of the five-year review were finalized in February 2021. All ongoing remedial actions were determined to be protective of human health and the environment.

The Five-Year Review Report is available for public review in the Navy's Administrative Record at the following website and location: <https://go.usa.gov/DyXF>.

Bethpage Public Library
47 Powell Avenue
Bethpage, New York 11714

Members of the public who have questions regarding the five-year review are encouraged to contact the Naval Facilities Engineering Command Mid-Atlantic Public Affairs Office at (757) 341-1410.

The next five-year review for ongoing remedial actions at NWIRP Bethpage is scheduled for 2026.
