

This list of documents were prepared and distributed by Tetra Tech pertaining to Soil Vapor Investigative (SVI) activities at Site 1 - Former Drum Marshalling Area. Naval Weapons Industrial Reserve Plant, Bethpage, New York from November 2007 through February 2010.

- 1) Letter Work Plan for Soil Vapor Investigation Site 1. Naval Weapons Industrial Reserve Plant, Bethpage, New York. November 2007.
- 2) Site 1 - Soil Vapor Investigation. Naval Weapons Industrial Reserve Plant, Bethpage, New York. April 2008. (Onsite Soil Gas investigation)
- 3) Letter Work Plan, Site 1 - Phase II Soil Vapor Investigation. Naval Weapons Industrial Reserve Plant, Bethpage, New York. September 2008.
- 4) Letter Work Plan, Site 1 - Indoor Air Sampling. Naval Weapons Industrial Reserve Plant, Bethpage, New York. December 2008.
- 5) Letter Report, Site 1 - Phase II Soil Vapor Testing, January 2009
- 6) Work Plan Addendum, Supplemental Indoor Air Testing, Basement Sealing, and Installation of Residential Vapor Phase Carbon Units, February 2009
- 7) Work Plan Addendum, Attachment 1 - Installation and startup of SSD systems Off-base Residential Housing, Site 1, May 2009
- 8) Draft Phase II Soil Vapor Report, Site 1, June 2009
- 9) Time Critical Removal Action - Off Site Soil Vapor Intrusion Site 1, June 2009
- 10) Final Phase II Soil Vapor Report, Site 1 – Former Drum Marshalling Area. Naval Weapons Industrial Reserve Plant, Bethpage, New York. August 2009. (Offsite Soil Gas Investigation)
- 11) Engineering Evaluation and Cost Analysis (EECA), Non-Time Critical Removal Action for Soil Gas, Site 1 – Former Drum Marshalling Area. Naval Weapons Industrial Reserve Plant, Bethpage, New York. September 2009. (EECA for Onsite SVE system)
- 12) Final Work Plan for the Design, Installation, and Operation of Soil Vapor Extraction Containment System, Site 1 Former Drum Marshalling Area, NWIRP Bethpage. October 2009.
- 13) Data Summary Report, Soil Vapor Intrusion Investigation, Site 1 – Former Drum Marshalling Area. Naval Weapons Industrial Reserve Plant, Bethpage, New York. October 2009. (Indoor air sampling results from January 2009 through April 2009) - Public Use Version
- 14) Quarterly Data Summary Report, Indoor Air and SSD Monitoring (May, June, and July 2009). Naval Weapons Industrial Reserve Plant, Bethpage, New York. October 2009. (SSD Installation and start up, Indoor air sampling results from May through July 2009)
- 15) Quarterly Data Summary Report, Indoor Air and SSD Monitoring (August, September, and October 2009). Naval Weapons Industrial Reserve Plant, Bethpage, New York. December 2009. (Indoor air sampling results from August through October 2009)
- 16) Quarterly Data Summary Report, Indoor Air and SSD Monitoring (November, December 2009, and January 2010). Naval Weapons Industrial Reserve Plant, Bethpage, New York. February 2010. (Indoor air sampling results from November 2009 through January 2010)
- 17) Non-Time Critical Removal Action for Soil Vapor Extraction Containment System, Site 1, February 2010
