Dear Ms. Norvik:

Enclosed for your review please find five copies of the draft Remedial Investigation/Feasibility Study Work Plan for the Pall Corporation and Photocircuits Corporation Site, under Work Assignment D003600-49.

Some of the subcontractor bids for the project are still pending, however, the total estimated cost of the project will not exceed the total cost provided in the draft Work Plan. Comparison of the subcontractor costs and the final recommended bidders will be provided for the final Work Plan.

If you have any questions or comments regarding the Work Plan, or require any additional information, please do not hesitate to call me at (516) 364-9890.

Very truly yours,

Albert Jaroszewski
