Re: Atlas Graphics

Construction Completion Report
Site Management Plan

Dear Mr. Robinson:

The New York State Department of Environmental Conservation (NYSDEC) and the New York State Department of Health (NYSDOH) have reviewed the February 2026 Construction Completion Report (CCR) and October 2025 Site Management Plan (SMP) for the Atlas Graphics Site (the Site). The CCR and SMP are approved.

Based on the available information provided in the CCR and the provisions of the SMP, the remedial actions for the Site have been satisfactorily completed in accordance with the March 2025 Explanation of Significant Difference and adequate measures are in place to prevent human exposures to contamination remaining at the site.

If you have any questions you may contact me at joseph.jones@dec.ny.gov or by telephone at 518-402-9621.

Sincerely,

Joseph Jones
