

- NOTES:
- CONTRACTOR shall install 12" x 12" metallic, painted "NO TRESPASSING" signs on fence at 30' centers.
  - Curb cut permit (if required) by CONTRACTOR
  - Layout shown is a "Proposed Layout". Alternate layout scheme may be authorized, subject to ENGINEER'S approval.
  - CONTRACTOR shall furnish, install, and remove upon completion of work an 8' high chain link fence around HLSA. The West and South sides of this fence shall have dark green or black visibility blocking slats installed.
  - CONTRACTOR shall, upon completion of the work, construct a 10' wide by 4' high earthen berm across the Eastern edge of the HLSA as shown on the plans. CONTRACTOR shall furnish and plant one 8' tall, bushy "arbor vitae" evergreen tree every 5' on center on the berm. CONTRACTOR shall install 6" of approved topsoil and seed the berm with an approved permanent seed mixture per Suffolk County Soil & Water Conservation District guidelines.
  - Install erosion control fencing around the perimeter of HLSA work area approximately 5' outside the chain link fence line.
  - Protect catch basin (CB), and all other existing utilities and structures.
