Photo left. On of numerous dimension stone slab, near monitoring wells.

Photo left. NYSDEC-owned plant at Site No. 152077, ServAll Laundry, 8 Drayton Avenue, Bayshore, NY 11706. We wish to dismantle this plant. The first step in decommissioning would be garbage removal! We couldn't gain access on 5/26.

Photo left. ServAll's locked side doorway.

Photo left. Alley alongside of the door. More trash.

Photo left. Jerry and Carl in front of the plant.

Photo left. View from accross the street.

Photo left. Ditto.

Photo left. Ditto.

Photo left. Plugged drain in front of the plant.

Photo left. 130005, Liberty Industrial Finishing (4 J's Co.), 55 Motor Ave., Colt Industrial Park, Farmingdale, NY 11735, Nassau County. View from accross the street.

Photo left. Liberty Industrial.

Photo left. Liberty Industrial site.

Photo left. Trash inside the open fence along the driveway.

Photo left. Same place, different view.

Photo left. Looking accross the pad towards the entrance way.

Start at State Thruway (Route 28) and travel east to Exit 10 (Lebanon) and follow to Westfield Center. Turn left at Westfield Center and follow to West Newark Highway. Turn right onto Newark Highway and follow to Westfield Center. Turn left and follow to Lehigh. Turn right on Lehigh Avenue and follow to Westfield Center. (Please refer to right hand side of map for details.)

Photo left. Franklin Cleaners' treatment plant is located about a mile from the actual cleaners business location. The plant is between the Southern State Parkway and Molloy College. Franklin Cleaners' plant is "a first class operation all the way," having been designed with input from the old BHSC O&M Section.

Photo left. another view of Franklin Cleaners' plant.
