Dear Mr. Fleming:

On September 18, 2009, the Department received the Closure Certification Report for the above-referenced facility. Based on review of this report, the Department has determined that the permitted areas of the facility were closed and decontaminated in accordance with the approved Closure Plan of the effective Part 373 permit. The Department hereby accepts the closure certification for the regulated units.

The ongoing corrective action at the site will be addressed through a 6 NYCRR part 373-2 Corrective Action Permit issued by the Department.

If you have any questions on this matter, contact me at (631) 444-0235.

Sincerely,

Katy Murphy
