# Bohemia Town Hall Meeting

*For SCWA Bohemia, Oakdale, Holbrook  
and Ronkonkoma Customers:*

This jointly-hosted town hall meeting will discuss local water quality in the greater Bohemia area and answer any questions that residents may have. Following the recent designation of Long Island MacArthur airport as a possible Superfund site by the New York State Department of Environmental Conservation, residents have reached out to us with questions about their water quality.

## Who?

- 1) SCWA Water Quality Experts
- 2) NYS Senator Phil Boyle
- 3) Suffolk County Legislator  
Tom Cilmi
- 4) Suffolk County Legislator  
William Lindsay III

## What?

SCWA staff will discuss:

- 1) What is PFOS?
- 2) How does SCWA remove PFOS from drinking water?
- 3) SCWA laboratory, testing and treatment protocols.
