

NYSDEC Extends Public Comment Period 30 Days to November 19, 2018 About the Proposed Remedy to Address Contamination Related to the Former NuHart Plastic Manufacturing Site, Brooklyn, NY

The New York State Department of Environmental Conservation (NYSDEC) issued a Proposed Plan for the site on September 18, 2018. A public notice which discussed the issuance of the Proposed Plan was provided to those subscribed to the DEC listserv for Kings County. **Based on a request from the public, the comment period is being extended 30 days to November 19, 2018.**

Basado en una solicitud del público, el período de comentarios se extenderá 30 días hasta el 19 de Noviembre, 2018.

Na podstawie otrzymanych próśb okres komentowania został wydłużony o 30 dni do 19 listopada 2018 r.

The Proposed Plan, Remedial Investigation, and Feasibility Study are available at the following locations. Information is also available on DEC's website at <http://www.dec.ny.gov/chemical/37550.html>

Brooklyn Community Board No. 1
435 Graham Avenue
Brooklyn, NY 11211
(718) 389-0009

North Brooklyn Development
Corporation
148-150 Huron Street
Brooklyn, NY 11222
Tel: (718) 389-9044

Comments received during the comment period, as well as oral comments received at the October 4, 2018 public meeting, will be documented and addressed in the Responsiveness Summary section of the Record of Decision, the document which formalizes the selection of the remedy. All written comments should be addressed to:

Bryan Wong, Project Manager
NYS Department of Environmental Conservation
47-40 21st Street
