Re: Consolidated Edison Company of New York, Inc.
Astoria Outfalls B and G
Monthly Discharge Summary – November 2024

Dear Mr. Southwell:

During the month of November 2024, Con Edison was able to capture rainfall events at Astoria's Outfall B.

	Aroclor 1260 PCB (200 ppt limit)	TSS (100 ppb limit)	OUTFALL
Date	ppt	ppb	Sample
11/21/2024	0.16	0.16	MH-1A
11/26/2024	0.68	9.4	MH-1A

The motor-operated valves in the completed Outfall G stormwater system were not opened during the subject month and **no stormwater was discharged**.

As always, if you should have any further questions or need any additional information, please feel free to call me at 929.721.0414 or via email at slevinj1@coned.com.

Respectfully,

John Slevin
