Re: International Business Machines Corporation  
East Fishkill Facility  
Revision to Part A Permit Application  
EPA ID No. NYD000707901

Dear Mr. Fox:

In response to an e-mail from Mr. Henry Wilkie of your department dated August 26, 2011 and subsequent follow-up e-mail correspondence, enclosed please find a revised copy of page 1 of the Hazardous Waste Permit Information Form attached to the Revised RCRA Hazardous Waste Part A Permit Application which was part of the International Business Machines Corporation (IBM) East Fishkill Facility/Hudson Valley Research Park's Part 373 Permit Renewal Application submitted to NYSDEC in June 2011. This revised page adds a missing zero to the East Fishkill Facility's SPDES Permit number and also corrects a discrepancy in the registration number for eMagin Corporation, one of the tenants of the Hudson Valley Research Park.

If you have any questions and/or comments regarding the enclosed information, please do not hesitate to contact N. Ayengar at (845) 892-1624.

Sincerely,

International Business Machines Corporation

Steven C. Hawkins, Manager  
Environmental Regulatory Engineering
