

ENVIRONMENTAL NOTICE

THIS ENVIRONMENTAL NOTICE is made the 1ST day of July 2016 by the New York State Department of Environmental Conservation (Department), having an office for the transaction of business at 625 Broadway, Albany, New York 12233.

WHEREAS, a parcel of real property identified as 3 Star Anodizing (Site 314058), located on McKinley Street in the Town of Wappingers Falls, County of Dutchess, State of New York, which is part of lands conveyed by Techram Realty Corp. to Three Star Anodizing Corporation by deed dated December 2, 1957 and recorded in the Dutchess County Clerk's Office on December 3, 1957 in Liber 959 of Deeds at page 570 and being more particularly described in Appendix "A", attached to this noticed and made a part hereof, and hereinafter referred to as "the Property" is the subject of a Voluntary Agreement, Index No. D2-0003-98-10, between Queens West Development Corporation and DEC, executed on 8/ 17/1999, and amended on 7/ 18/2000; and

WHEREAS, the remedial program was performed to address the contamination at the Property and such cleanup was conditioned upon certain limitations.

NOW, THEREFORE, the Department provides notice that:

FIRST, the Property subject to this Environmental Notice is as shown on a map attached to this Notice as Appendix "B" and made a part hereof.

SECOND, unless prior written approval by the Department or, if the Department shall no longer exist, any New York State agency or agencies subsequently created to protect the environment of the State and the health of the State's citizens, hereinafter referred to as "the Relevant Agency," is first obtained, where contamination remains at the Property, there shall be no disturbance or excavation of the Property which threatens the integrity of the engineering controls (i.e. composite cover system consisting of the asphalt and concrete of the roadway and sidewalk or a minimum of 1 foot of clean fill on any unpaved areas) or which results or may result in a significantly increased threat of harm or damage at any site as a result of exposure to soils. A violation of this provision is a violation of 6 NYCRR 375-1.11(b)(2).

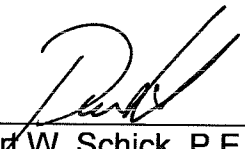

THIRD, no person shall disturb, remove, or otherwise interfere with the installation, use, operations, and maintenance of engineering controls required for the Remedy, unless in each instance they first obtain a written waiver of such prohibition from the Department or Relevant Agency.

FOURTH, the remedy was designed to be protective for the following uses: Commercial or industrial use as described in 6 NYCRR Part 375-1.8(g)(2)(iii) and (iv). Therefore, any use for purposes other than commercial or industrial use without the express written waiver of such prohibition by the Relevant Agency may result in a significantly increased threat of harm or damage at any site.

FIFTH, no person shall use the groundwater underlying the Property without treatment rendering it safe for drinking water, as appropriate, unless the user first obtains permission to do so from the Department or Relevant Agency. Use of the groundwater without appropriate treatment may result in a significantly increased threat of harm or damage at any site.

SIXTH, it is a violation of 6 NYCRR 375-1.11(b) to use the Property in a manner inconsistent with this environmental notice.

IN WITNESS WHEREOF, the undersigned, acting by and through the Department of Environmental Conservation as Designee of the Commissioner, has executed this instrument the day written below.
