TRC Engineers,
10 Maxwell Drive, Suite 200, Clifton Park, NY 12065

RE: Former Star Anchors and
Fasteners, Site No. 336008, Town of
Mountainville, New York

Dear Mr. Flanagan:

The New York State Department of Environmental Conservation (Department) in consultation with the New York State Department of Health (NYSDOH) has reviewed and hereby approve the submittal entitled "Remedial Investigation Feasibility Study Work Plan", for the Former Star Anchors and Fasteners Site, located in the Town of Mountainville, New York prepared for Cornwall Properties LLC by TRC Engineers of New York Inc., dated October 19, 2016 for the above-referenced site.

The Department and the NYSDOH also concur that the site Remedial Investigation and Feasibility Study (RI/FS) should commence as soon as possible upon receipt of this approval letter. However, please provide us with a detailed project schedule for the next quarter 2016-2017 within fourteen (14) days after receiving this approval letter. Additionally, before the commencement of the RI field work we will need at a minimum a fourteen (14) day notice prior to the actual field work mobilization. If you have any questions regarding this approval, please contact me at 518-402-9665 or by e-mail at salvatore.priore@dec.ny.gov.

Sincerely,

Salvatore F. Priore
