

## PUBLIC NOTICE

## State Superfund Program

Receive Site Information by Email. See next page to Learn How.

**Site Name:** Saugerties Town Landfill

**September 2021**

**Site No.** 356003 **Tax Map No.** 27.4-6-4.1

**Site Location:** 1765 Route 212, Town of Saugerties, Ulster County

### State Superfund Site Classification Notice

The Inactive Hazardous Waste Disposal Site Program (the State Superfund Program) is the State's program for identifying, investigating, and cleaning up sites where the disposal of hazardous waste may present a threat to public health and/or the environment. The New York State Department of Environmental Conservation (DEC) maintains a list of these sites in the Registry of Inactive Hazardous Waste Disposal Sites (Registry). The site identified above, and located on a map on the reverse side of this page, has been added to the Registry as a Class 02 site that presents a significant threat to public health and/or the environment for the following reason(s):

- Groundwater contaminated by 1,4-dioxane and per- and polyfluoroalkyl substances (PFAS) has been detected in on-site monitoring wells, off-site in a seep/surface water body south of the landfill, and in several private drinking water supply wells proximate to the site. Samples from some of these locations indicate exceedances of the New York State Maximum Contaminant Levels for these compounds.
- Additional investigations are recommended so that the nature and extent of site contaminants and all site related associated exposures are identified with appropriate actions taken to prevent and abate exposures.

DEC will keep you informed throughout the investigation and cleanup of the site.

**If you own property adjacent to this site and are renting or leasing your property to someone else, please share this information with them. If you no longer wish to be on the contact list for this site or otherwise need to correct our records, please contact DEC's Project Manager listed below.**

#### FOR MORE SITE INFORMATION

Additional information about this site can be found using DEC's "Environmental Site Remediation Database Search" engine which is located on the internet at:

[www.dec.ny.gov/cfm/extapps/derexternal/index.cfm?pageid=3](http://www.dec.ny.gov/cfm/extapps/derexternal/index.cfm?pageid=3)

Site specific documents may be found online through the DECinfo Locator at:

<https://www.dec.ny.gov/data/DecDocs/356003/>

Comments and questions are always welcome and should be directed as follows:
