NOTICE OF PERMIT DISCONTINUANCE

Dear Eric Chastain,

The New York State Department of Environmental Conservation (DEC or Department) has received your written request on July 24, 2024, to discontinue the Central Hudson Gas & Electric Corporation Elting's Corners Maintenance Facility's Hazardous Waste Permit, DEC ID 3-5132-00032/00002 (USEPA ID# NYD000705905), located at 24 South Street in the Town of Lloyd.

The Department acknowledges that the hazardous waste operating units for this facility have ceased operations and the closure certification for the regulated units have been accepted. Therefore, effective July 29, 2024, the Hazardous Waste permit is hereby discontinued and will no longer be in effect.

Based on the closure certification report approval and a determination that no further actions are currently required, financial assurance obligations pursuant to 6 NYCRR 373-2.8(d)(5)(ix)(b) and 373-2.8(d)(8) for Central Hudson Gas & Electric Corporation Elting's Corners facility are hereby released.

If you have any additional questions regarding the discontinuance of this permit, please feel free to contact Alysse Devine at alysse.devine@dec.ny.gov
