FIELD CLARIFICATION MEMORANDUM NO. 1

TO:

Brian Harris
Project Manager
ESG
bharris@esgenv.com

This Field Clarification Memorandum is issued in accordance with Section 34 78 13 of the Contract Specification Documents.

DESCRIPTION OF FIELD CLARIFICATION MEMORANDUM:

Contract Specification Section 34 78 13 Portable Truck Scales, Paragraph 1.1 A. 3. states "CONTRACTOR shall obtain necessary weights and measures certifications and operate scale with a certified weigh master."

The onsite scale does not need to be operated by a certified weigh master. The trucks will be scaled at the designated disposal facilities by certified personnel.

REASON FOR FIELD CLARIFICATION MEMORANDUM:

ESG inquired about the Contract Requirement of the Certified Weigh Master during Progress Meeting No. 1

ADJUSTMENT OF CONTRACT PRICE OR TIME:

This Field Clarification Memorandum shall not result in any additional cost increase to the Contract Price or Time. Therefore, no adjustment to the Contract Price or Time is necessary.
