

I, Dixon Rollins, am currently a registered professional engineer licensed by the State of New York, I had primary direct responsibility for implementation of the remedial program activities, and I certify that the Interim Remedial Measures were implemented and that all construction activities were completed in substantial conformance with the Department-approved Interim Remedial Measures Work Plan and Interim Remedial Measure Work Plan Modification.

I certify that the data submitted to the Department with the Interim Remedial Measures Construction Completion Report demonstrates that the remediation requirements set forth in the Interim Remedial Measures Work Plan, the Interim Remedial Measures Work Plan Modification, and in all applicable statutes and regulations have been or will be achieved in accordance with the time frames, if any, established for the remedy.

I certify that all use restrictions, Institutional Controls, Engineering Controls, and/or any operation and maintenance requirements applicable to the Site are contained in an environmental easement created and recorded pursuant ECL 71-3605 and that all affected local governments, as defined in ECL 71-3603, have been notified that such easement has been recorded.

I certify that a Site Management Plan has been submitted for the continual and proper operation, maintenance, and monitoring of all Engineering Controls employed at the Site, including the proper maintenance of all remaining monitoring wells, and that such plan has been approved by Department.
