

NYSDEC Extends Public Comment Period 30 Days to April 29, 2019 For the Proposed Remedy to Address Contamination Related to the Katzman Recycling Superfund Site, Granville, Washington County, NY

The New York State Department of Environmental Conservation (NYSDEC) issued a Proposed Plan for the site on February 26, 2019. A public notice which discussed the issuance of the Proposed Plan was provided to those subscribed to the Site mailing list and the DEC listserv for Washington County. **Based on a request from the public, the comment period is being extended 30 days to April 29, 2019.**

The Proposed Plan, Remedial Investigation, and Feasibility Study are available at the following locations.

Town of Granville Town Hall

42 Main Street
Granville, NY 12832
(518) 642-1500

NYSDEC Region 5 Office

1115 NYS Route 86
Ray Brook, NY 12977
(518) 897-1241

The Fact Sheet and a link to the Proposed Remedial Action Plan can be found at:

<http://www.dec.ny.gov/data/der/factsheet/558035cuprop.pdf>

Comments received during the comment period, as well as oral comments received at the March 21, 2019 public meeting, will be documented and addressed in the Responsiveness Summary section of the Record of Decision, the document which formalizes the selection of the remedy. All written comments should be addressed to:

Michael P. McLean P.E., Project Manager
NYSDEC
1115 NYS Route 86
Ray Brook, NY 12977
