

NOTES

- 1- Unauthorized alteration or addition to a survey map bearing a licensed land surveyors seal is a violation of section 7209, subdivision 2, of the New York State Education Law.
- 2- Only copies from the original of this survey marked with an original of the land surveyors embossed seal shall be considered to be valid true copies.
- 3- This site consists of a mixture of earth fill and remnant concrete structures that intertwine randomly throughout. Larger above ground, identifiable structures within this excavated area are shown.
- 4- This map is intended to detail the excavation area only; see companion map for surrounding site information.
