

**Public Meeting Announcement
South Hill Area
Ithaca, New York**

Background: In November 2007 you were mailed a Fact Sheet from the New York State Department of Environmental Conservation concerning a number of environmental investigations being performed in the South Hill area of Ithaca, New York. You are invited to an availability session and public meeting (postponed from December 13, 2007) to learn more about these investigations, the results, and the proposed next steps.

When: Thursday, January 24, 2008
Availability Session: 2:00 PM - 4:00 PM
Public Meeting: 6:30 PM - 9:00 PM

Where: Ithaca Town Hall, 215 North Tioga Street, Ithaca

Details: Representatives from the New York State Department of Environmental Conservation and the New York State Department of Health will be available during the afternoon to speak with interested parties on an individual basis. In the evening, State officials will make a short presentation, which will be followed by a question and answer session.
