Site No. 851009 **Tax Map No.** 166.33-01-012.100

Site Location: South Hornell between Canisteo River & Railroad, City of Hornell, Steuben County 14843

Inactive Hazardous Waste Disposal Site Delist Notice

The Inactive Hazardous Waste Disposal Site Program (the State Superfund Program) is the State's program for identifying, investigating, and cleaning up sites where the disposal of hazardous waste may present a threat to public health and/or the environment. The New York State Department of Environmental Conservation (DEC) maintains a list of these sites in the Registry of Inactive Hazardous Waste Disposal Sites (the "Registry"). DEC has determined that this site ([see map on reverse side](#)) no longer presents a threat to public health or the environment and is proposing to delist the site from the Registry for the following reason(s):

Actions to properly remediate the site have been implemented and all construction components of the remedy, including removal of lead contaminated soil from the storage tank area, the former grease pit area, and from adjacent residential properties, have been completed.

Public comments are being received before the decision to remove the site from the Registry is finalized. The public comment period will end July 22, 2013. If you would like to provide us with written comments, please send them to: Ms. Valerie Woodward, Project Manager, NYS Department of Environmental Conservation, DER – Remedial Bureau E, 625 Broadway; Floor 12, Albany, NY 12233-7017; vjwoodwa@gw.dec.state.ny.us; or to submit by phone, call 518-402-9762.

Please contact the Project Manager given above for a summary of any comments received.

If we do not receive any new or additional information during this public comment period that changes our delist proposal, we will delist the site on or after August 9, 2013.

If you own property adjacent to this site and are renting or leasing your property to someone else, please share this information with them. If you no longer wish to be on the contact list for this site or otherwise need to correct our records, please contact DEC's Project Manager listed above.

FOR MORE SITE INFORMATION

Additional information about this site can be found using DEC's "Environmental Site Remediation Database Search" engine which is located on the internet at:

www.dec.ny.gov/cfm/externalapps/derexternal/index.cfm?pageid=3

The Department is sending you this notice in accordance with Environmental Conservation Law Article 27, Title 13 and its companion regulation (6 NYCRR 375-2.7(b)(6)(ii)) which requires DEC to notify all parties on the contact list for this site of this recent action.

Approximate Site Location

Former General Electric at Hornell

Site ID: 851009

South Hornell between Canisteo River & Railroad

City of Hornell, Steuben County 14843

Receive Site Updates by Email

Have site information such as this public notice sent right to your email inbox. DEC invites you to sign up with one or more contaminated sites county email listservs available at the following web page: www.dec.ny.gov/chemical/61092.html . It's *quick*, it's *free*, and it will help keep you *better informed*.

As a listserv member, you will periodically receive site-related information/announcements for all contaminated sites in the county(ies) you select.

You may continue also to receive paper copies of site information for a time after you sign up with a county listserv, until the transition to electronic distribution is complete.

Note: Please disregard if you received this notice by way of a county email listserv.
