Registry No. 907010
Jamestown (c), Chautauqua County

Dear Mr. Szymanski:

This letter is in response to your correspondence dated March 19, 2010, regarding the Annual Certification requirements for the subject site. Please note that the ingress/easement easement is still in place and that there are no buildings on the site. As per my request last year, there is really no information to certify, so please advise if further certification is necessary.

If you need any additional information please feel free to contact this office.

Sincerely,

Jeffrey Lehman P.E.
