Re: Brownfield Cleanup Program Remedial Investigation
Bethpage Community Park Ice Rink Area – NYSDEC Site No.: C130212
Progress Report – November 2015

Dear Mr. Scharf:

On behalf of the Town of Oyster Bay (Town), H2M architects + engineers (H2M) is pleased to provide herein a progress report on the remedial investigation activity at the Bethpage Community Park Ice Rink Area pursuant to Appendix A, Section XI of the New York State Brownfield Site Cleanup Agreement (Index # C130212-01-12).

Tasks Initiated or Completed

- Modifying and finalizing Initial Group Electronic Data Deliverable (EDD) and laboratory analytical data for submittal to the New York State Department of Environmental Conservation (NYSDEC) in an EDD format compatible with the EQUiST™ Data Processor and published NYSDEC format (Environmental Information Management System [EIMS]). The EDD was modified based on e-mail correspondence with NYSDEC EIMS Team on October 14, and 28, 2015.
- The NYSDEC and NYSDOH completed their review of the RIR and submitted a comment letter and disapproval notice dated October 6, 2015.
- On behalf of the Town of Oyster Bay, H2M responded to the October 6, 2015 comment letter via email on October 23, 2015 indicating that the Town has elected to address all comments included in the October 6, 2015 letter.

Tasks to be Initiated or Completed during the Next Reporting Period

- During the next reporting period, it is anticipated that the laboratory analytical data EDD will be submitted to the NYSDEC for upload to the EIMS.
- It is anticipated that a revised RIR and letter response will be submitted in response to the October 6, 2015 comment letter referenced above.

If you should you have any questions or concerns, please contact me at (631) 756-8000 extension 1623.

Very truly yours,

H2M architects + engineers
