- ☐ Substitute
- ☐ Remove
- ☐ Change in Name

applicant(s) to the existing Brownfield Cleanup Agreement [Complete Section I-IV below and Part II]

Does this proposed amendment involve a transfer of title to all or part of the brownfield site? ☐ Yes ☐ No

If yes, pursuant to 6 NYCRR Part 375-1.11(d), a Change of Use form should have been previously submitted. If not, please submit this form with this Amendment. See <http://www.dec.ny.gov/chemical/76250.html>

☐ Amendment to modify description of the property(ies) listed in the existing Brownfield Cleanup Agreement [Complete Sections I and V below and Part II]

☐ Amendment to Expand or Reduce property boundaries of the property(ies) listed in the existing Brownfield Cleanup Agreement [Complete Section I and V below and Part II]

☐ **Sites in Bronx, Kings, New York, Queens, or Richmond counties ONLY:** Amendment to request determination that the site is eligible for the tangible property credit component of the brownfield redevelopment tax credit. Please answer questions on the supplement at the end of the form.

☒ Other (explain in detail below)

Please provide a brief narrative on the nature of the amendment:

This amendment is being requested to correct an error in the figure attached to the Brownfield Cleanup Agreement (BCA). The error is that the former 152nd street (de-mapped and part of Block 2361, Lot 1), was not shown as being part of the BCP site on Figure 6 - Tax Map, that is attached to the BCA. The revised Figure 6 shows the correct boundaries of Block 2361, Lot 1.

No change to the lots included in the BCP Site or the acreage of the BCP is required as part of this amendment, as the BCP site acreage in the BCA accounts for the entire Block 2361, Lot 1, including the de-mapped 152nd street.

AMENDMENT #7 w/ TPC Rider

NEW YORK STATE DEPARTMENT OF
ENVIRONMENTAL CONSERVATION

By: [Signature]

Robert W. Schick, P.E., Director
Division of Environmental Remediation

Rider to BCA Amendment # 1 to Document a Tangible Property Tax Credit Determination

Site Name: La Central Phase I

Site Number: C203086

1- The Department has determined that the Site is eligible for tangible property tax credits pursuant to ECL § 27-1407(1-a) because the Site is located in a City having a population of one million or more and:

☒ At least half of the site area is located in an environmental zone as defined in section twenty-one of the tax law

☐ The property is upside down, as defined by ECL 27-1405 (31)

☐ The property is underutilized, as defined by 375-3.2(l).

☐ The project is an affordable housing project, as defined by 375-3.2(a).

2- The Site is located in a City having a population of one million or more and the Applicant:

☐ Has not requested a determination that the Site is eligible for tangible property tax credits. It is therefore presumed that the Site is not eligible for tangible property tax credits. In accordance with ECL § 27-1407(1-a), the Applicant may request an eligibility determination for tangible property tax credits at any time from application until the site receives a certificate of completion except for sites seeking eligibility under the underutilized category.

☐ Requested a determination that the Site is eligible for tangible property tax credits and pursuant to ECL § 27-1407(1-a), the Department has determined that the Site is not eligible for tangible property tax credits because the Applicant has not submitted documentation sufficient to demonstrate that at least one of the following conditions exists: at least half of the site area is located in an environmental zone as defined in section twenty-one of the tax law, the property is upside down, the property is underutilized, or the project is an affordable housing project. In accordance with ECL § 27-1407(1-a), the Applicant may request an eligibility determination for tangible property tax credits at any time from application until the site receives a certificate of completion except for sites seeking eligibility under the underutilized category.

3- For sites statewide, where applicable:

☐ In accordance with ECL § 27-1407(1-a), based on data submitted with the application the Department has determined the Site is not eligible for tangible property tax credits because the contamination in ground water and/or soil vapor is solely emanating from property other than the Site.

☐ The remedial investigation or other data generated during the remedial program the Department has identified an on-site source of contamination, which now makes this site eligible for tangible property tax credits.

☐ The Department has determined that the Site or a portion of the Site has previously been remediated pursuant to Article 27, Title 9, 13 or 14] of the ECL, Article 12 of the Navigation Law or Article 56, Title 5 of the ECL. Therefore, in accordance with ECL § 27-1407(1-a), the Site is not eligible for tangible property tax credits.

DATE: MAY 9, 2007

THIS RIDER TO AN AMENDMENT TO THE BCA ESTABLISHING ELIGIBILITY FOR TANGIBLE PROPERTY TAX CREDITS IS HEREBY APPROVED, Acting by and Through the Department of Environmental Conservation as Designee of the Commissioner,
