☐ Other (explain in detail below)

2. Required: Please provide a brief narrative on the nature of the amendment:

Amend the BCA to update the BCP site Lot information. At the time when the BCA was signed (August 2020), the BCP site boundary included Bronx Block 2319, Lot 109 in its entirety. However, the adjacent Lot 99 was merged into Lot 109, and the new Lot Number 109 was assigned to the property following the lot merger. As such, the BCP site boundary is now described as a "portion of Lot 109". The extent of the BCP site boundary and the metes and bounds description remains the same, see attached figure for reference.

Lot merger confirmation/approved application from the Department of Finance is attached.

Please refer to the attached instructions for guidance on filling out this application

Submission of a full BCP application will be required should this application be determined to be a major amendment. If the amendment involves a non-insignificant change in acreage, applicants are encouraged to consult with the DEC project team prior to submitting this application.
