Dear Ms. Cora:

We represent Whitlock Point LLC in its anticipated Brownfield Cleanup Program application for the above-referenced site at 1156 East 165th Street and Part of 1125 Whitlock Avenue in the City of New York, Bronx, New York. Your branch is currently the repository for this project. It is a requirement of the NYS Department of Environmental Conservation that we supply them with a letter certifying that the local library is willing and able to serve as a public repository for all documents pertaining to the cleanup of this property. To avoid significant use of your shelf space, all documents can be sent in CD format or via digital download link.

Please sign below and return the original in the enclosed stamped self-addressed envelope if you are able to certify that your library would be willing and able to act as the temporary public repository for this Brownfield Cleanup Program project.

Thank you.

Sincerely,
