SECTION V: PROPERTY DESCRIPTION AND REQUESTED CHANGES

NOTE: DEC requires a standard full BCP application to request major changes to the description of the property set forth in the BCA (e.g., adding a significant amount of new property, or adding property that could affect an eligibility determination due to contamination levels or intended land use). The application must be submitted to DEC in the same manner as the original application to participate.

All requested changes to this section should be accompanied by a revised survey or other acceptable map depicting the proposed new site boundary. This map must also indicate the census tract number in which the site is located. See [DEC's website](#) for additional information.*
