Re: Certificate of Completion
458 East 99th Street
Brooklyn, Kings County
C224254

Dear Wolfgang Michelitsch:

Congratulations on having satisfactorily completed the remedial program at the 458 East 99th Street site. Enclosed please find an original, signed Certificate of Completion (COC). The New York State Department of Environmental Conservation (NYSDEC) is pleased to inform you that the Final Engineering Report is hereby approved, allowing the COC to be issued for the above-referenced site.

Please note that you are required to perform the following tasks:

- If you are the site owner, you must record the Notice of Certificate of Completion in the recording office for the county (or counties) where any portion of the site is located within 30 days of issuance of the COC; or if you are a prospective purchaser of the site, you must record the Notice within 30 days of the date that you acquire the site. If you are a non-owner, you must work with the owner to assure the Notice is recorded within the time frame specified. A standard Notice of Certificate of Completion form is attached to this letter.
- Provide electronic copies of the recorded Notice and proof of recording to NYSDEC's project manager.
- Provide the Certificate of Completion fact sheet to the Document Repositories within 10 days of issuance of the COC. NYSDEC will develop the fact sheet announcing the issuance of the COC and describing the institutional and engineering controls (IC/ECs), if any, that are required at the site and distribute it to the County Listserv within 10 days;
- Implement NYSDEC-approved Site Management Plan (SMP) which details the activities necessary to assure the performance, effectiveness, and

protectiveness of the remedial program; and you must report the results of these activities to NYSDEC in a Periodic Review Report (PRR) which also includes any required IC/EC Certifications. The site IC/ECs are identified on the attached Site Management Form. The first PRR including the certification of the IC/ECs is due to NYSDEC in April 2027.

If you have any questions, please do not hesitate to contact Marlen Salazar, NYSDEC's project manager, at (718) 482-7129.

Sincerely,

Andrew Guglielmi
