- Add

applicant(s) to the existing Brownfield Cleanup Agreement [*Complete Section I-IV below and Part II*]

Does this proposed amendment involve a transfer of title to all or part of the brownfield site? Yes No

If yes, pursuant to 6 NYCRR Part 375-1.11(d), a Change of Use form should have been previously submitted. If not, please submit this form with this Amendment. See <http://www.dec.ny.gov/chemical/76250.html>

Amendment to modify description of the property(ies) listed in the existing Brownfield Cleanup Agreement [*Complete Sections I and V below and Part II*]

Amendment to Expand or Reduce property boundaries of the property(ies) listed in the existing Brownfield Cleanup Agreement [*Complete Section I and V below and Part II*]

Sites in Bronx, Kings, New York, Queens, or Richmond counties ONLY: Amendment to request determination that the site is eligible for the tangible property credit component of the brownfield redevelopment tax credit. Please answer questions on the supplement at the end of the form.

Other (explain in detail below)

Please provide a brief narrative on the nature of the amendment:

The nature of the amendment is to add two new entities to the existing Brownfield Cleanup Agreement and to add parcels of land that were part of the original Brownfield Cleanup Program Application, but were rejected due to lack of documented contamination at the time the Application was submitted.

The Requestors are the owner of the Site and an affiliate of the owner and will be involved in the remedial and development efforts at the Site; as such, we seek to include both requestors as co-applicants on the Brownfield Cleanup Agreement.

Since the Application the former lots 4 and 23 were merged into lot 8. Subsequent investigation of former lots 4 and 23 identified eligible contamination on the previously rejected parcels. We seek to amend the Brownfield Cleanup Agreement to add the contaminated parcels.
