Long Island City, New York 11101

Re: October 2026 Monthly Summary Report
Former El Puente Site
98, 100, and 104 South 4th Street, Brooklyn, NY
Site ID No. C224260

Dear Ms. Zheng:

This letter serves to provide you with a summary of the activities completed during the month of October 2026, at the Brownfield Cleanup Program (BCP) project located at 98, 100, and 104 South 4th Street, Brooklyn, New York (Site) on behalf of 100 S 4th St LLC.

NYSDEC approved the Remedial Investigation Work Plan (RIWP) on January 19, 2021. NYSDEC approved an Interim Remedial Measures Work Plan (IRMWP) in March 2022. The IRM was completed, and SSDS operational as of November 18th, 2022. The following activities were completed in October 2026:

- No field activities were conducted during the month of October. Activities during this period consisted of office work, including report preparation and reviewing.
- The Remedial Investigation Report (RIR) was submitted for review to the NYSDEC on October 15, 2026.
- On October 26, 2026, the NYSDEC approved the SVI Report dated September 28, 2026. In the same correspondence, the NYSDEC requested that the NYSDEC-approved report be uploaded to the project document repositories.
- On October 28 and 29, 2026, the NYSDEC-approved SVI Report was submitted to the Brooklyn Library Williamsburgh Branch and Brooklyn Community Board No.1, respectively, for inclusion in the project document repository as part of the Citizen Plan.
- On October 29, 2026, a confirmation letter was received from Brooklyn Community Board No. 1.
- On November 4, 2026, a confirmation letter was received from the Brooklyn Library Williamsburgh Branch.
- On November 4, 2026, Both confirmation letters were submitted to the NYSDEC in accordance with the request outlined in its October 26, 2026, correspondence.

Anticipated Activities for November 2026:

- No activities are anticipated for November, as IEEG is awaiting NYSDEC's review and comments on the RIR submitted on October 15, 2026.

If you have questions or comments regarding this matter, please feel free to contact me on (631) 269-8800.

Sincerely,

IMPACT ENVIRONMENTAL ENGINEERING AND GEOLOGY, PLLC.
