Site Grid Plan

The map displays a grid of 15 numbered lots (1-15) within a pink boundary. Lot 6 is highlighted with a blue border. Surrounding lots are numbered 17, 26, 28, 30, 31, 32, 35, 36, 63, 1, 147, 138, and 136. A road labeled 'Clove Rd' runs diagonally through the grid. Two blue squares represent the 'Upwind Station' (top right) and 'Downwind Station' (bottom left). A legend on the right defines the symbols: pink line for BCP Site Boundary, blue line for Lot Boundary and Tax Lot Number, yellow fill for Building, and blue line for Numeric Grid. A scale bar indicates 0 to 80 feet.

Site Grid Plan

The map displays a grid of 15 numbered lots (1-15) within a pink boundary. Lot 15 is labeled with the block number 1309. Surrounding lots include 17, 26, 28, 30, 31, 32, 35, 36, 63, 1, 147, 138, and 136. Two buildings are shown as blue rectangles: one on lot 6 and another on lot 11. A road labeled 'Clove Rd' runs diagonally through the grid. Two callout boxes with arrows identify the 'Upwind Station' (near lot 6) and the 'Downwind Station' (near lot 11).
