Rubber Manufacturing Site
Brooklyn, Kings County
Site No. C224351

Dear Zelig Weiss and Shimon Brach:

Congratulations on having satisfactorily completed the remedial program at the Former Gutta Percha and Rubber Manufacturing Site. Enclosed please find an original, signed Certificate of Completion (COC). The New York State Department of Environmental Conservation (NYSDEC) is pleased to inform you that the Final Engineering Report is hereby approved, allowing the COC to be issued for the above-referenced site.

Please note that you are required to perform the following tasks:

- If you are the site owner, you must record the Notice of Certificate of Completion in the recording office for the county (or counties) where any portion of the site is located within 30 days of issuance of the COC; or if you are a prospective purchaser of the site, you must record the Notice within 30 days of the date that you acquire the site. If you are a non-owner, you must work with the owner to assure the Notice is recorded within the time

frame specified. A standard Notice of Certificate of Completion form is attached to this letter.

- Provide electronic copies of the recorded Notice and proof of recording to NYSDEC's project manager.
- Provide the Certificate of Completion fact sheet to the Document Repositories within 10 days of issuance of the COC. NYSDEC will develop the fact sheet announcing the issuance of the COC and describing the institutional and engineering controls (IC/ECs), if any, that are required at the site and distribute it to the County Listserv within 10 days.

If you have any questions, please do not hesitate to contact Shawn Roberts, NYSDEC's project manager, at (518) 402-9799.

Sincerely,

Andrew Guglielmi
