

Monthly Progress Report No. ~~1011~~401 West 207th Street Redevelopment BCP Site401 West 207th Street, New York, NYBrownfield Cleanup Program Site #: **C231151**Reporting Period: 01 ~~January~~February 2023 – ~~31-28 January~~February 2023**1. Introduction**

In accordance with the reporting requirements of the 25 March 2022 Brownfield Site Cleanup Agreement (BCA) for the 401 West 207th Street Redevelopment Site, located at 401 West 207th Street, New York, NY (Site), Haley & Aldrich of New York (Haley & Aldrich), has prepared this monthly progress report, on behalf of 401 West 207th Street Realty LLC, (the Volunteer), to summarize the work performed at the Site from 01 ~~January~~February 2023 through ~~31-28 January~~February 2023.

The Site, identified as Block 2189 Lot 60 on the New York City tax map, is located in the Special Inwood District in the borough of Manhattan and is comprised of one 24,480 square foot (sq ft) tax lot. The Site is bounded by: New York City Transit (NYCT) railroad tracks to the north; Ninth Avenue, followed by a parking garage/parking lot to the east; West 207th Street, followed by a commercial building to the south; and, railroad tracks and a transportation building to the west. The Site was most recently occupied by an active retail petroleum station operated by Speedway LLC and is currently vacant. The Site location is shown in Figure 1.

The Volunteer is proposing to build a new 17-story building with a full cellar level. The building will be used for mixed residential and commercial uses, including affordable housing. The proposed gross square footage of the new development is 302,878.22 square feet. The cellar is anticipated to encompass the approximately 10,789.76-square-foot site footprint and will extend to a depth of about 12 feet below grade surface (ft bgs). Although conceptual still, about 190 dwelling units are proposed, of which about 63 units will be designated as affordable housing. The proposed development is compatible with the existing zoning of R8-A and R9-A residential with a C2-4 commercial overlay.

2. Investigation or Remedial Actions Relative to the Site during this Reporting Period
