Dear Mr. Cohen:

This letter will confirm an administrative change regarding the above-referenced Order on Consent ("Order"). Paragraph II.F. of the Order states, in part:

*Respondent shall cooperate with the Department and provide reasonable assistance, consistent with the Citizen Participation Plan, in soliciting public comment on the proposed remedial action plan ("PRAP") for OU2, if any. After the close of the public comment period, the Department shall select a final remedial alternative for OU2 in a ROD.*

In lieu of the PRAP and ROD referenced in the Order, the Department will be issuing a Proposed Decision Document ("PDD") and Decision Document ("DD"). This administrative change does not affect any other provisions in the Order or the Respondent's obligation to provide reasonable assistance, consistent with the Citizen Participation Plan as provided in Paragraph II.F.

If you have any questions regarding this letter please contact the Project Manager, Ioana Munteanu, at (718) 482-4065.

Sincerely,

Dale A. Desnoyers, Director  
Division of Environmental Remediation
