*NOTE: DEC requires a standard full BCP application to request major changes to the description of the property set forth in the BCA (e.g., adding a significant amount of new property, or adding property that could affect an eligibility determination due to contamination levels or intended land use). The application must be submitted to DEC in the same manner as the original application to participate.*

### COVER PAGE

Please select all options that apply. Provide a brief narrative of the nature of the amendment requested.

### SECTION I: CURRENT AGREEMENT INFORMATION

*This section must be completed in its entirety. The information entered here will auto-populate throughout the application and amendment.*

Provide the site name, site code and name(s) of current requestor(s) exactly as this information appears on the existing agreement. This should reflect any changes made by previous amendments to the site name or parties on the BCA. Provide the agreement index number and the date of the initial BCA.

### SECTION II: NEW REQUESTOR INFORMATION

*This section is to be completed only if a new requestor is being added to the BCA, or if the name of the existing requestor has changed with the NYSDOS.*

#### Requestor Name

Provide the name of the person(s)/entity requesting participation in the BCP. (If more than one, attach additional sheets with requested information.) The requestor is the person or entity seeking DEC review and approval of the remedial program.

#### Requestor, Consultant and Attorney Contact Information

Provide the contact name, mailing address, telephone number and e-mail address for each of the following contacts:

Re: That certain Pre-Development Agreement dated as of February 5, 2018 (as amended from time-to-time, the "Development Agreement") between New York City Economic Development Corporation ("NYCEDC") and Queens Development Group, LLC ("Developer"), regarding development of the Willets Point Development I Site (the "WP Site").

Ladies & Gentlemen:

This letter shall confirm that the City of New York acting by and through its Department of Housing Preservation and Development ("HPD") plans to provide financing for the development of the WP Site as described in the Development Agreement. We acknowledge and understand that the Phase A development is currently anticipated to include the new construction of approximately 1100 multi-family affordable rental units to be financed with capital subsidy from HPD New Construction, of which approximately 220 are expected to be developed as subsidized senior units with Project Based Section 8 through SARA, or a similar successor program. 30% of the units shall be permanently affordable, subject to Mandatory Inclusionary Housing requirements, with at least an additional 15% permanent affordable units, as noted in the Development Agreement.

We understand that the Development Agreement further requires a QDG Housing Equity contribution of \$35,000,000, less up to \$15,000,000 contributed by the Developer towards remediation of Phase A. We further understand that remediation must be completed prior to the housing being financed. HPD is therefore providing this letter to acknowledge the HPD financing references in the Development Agreement and its intent to work with the Developer to implement such financing.

Please note that this letter is not a commitment and that HPD's ability to provide such financing is subject to receipt of all required due diligence, as well as customary credit and budgetary approvals.
