The liability limitation shall run with the land, extending to the Certificate holder's successors or assigns through acquisition of title to the site and to a person who develops or otherwise occupies the site, subject to certain limitations as set forth in ECL Section 27-1421. The liability limitation shall be subject to all rights reserved to the State by ECL Section 27-1421.2 and any other applicable provision of law.

Further, the use of groundwater is restricted and may not be used, unless treated in accordance with the requirements provided by the New York State Department of Health, or a local County Health Department with jurisdiction in such matters and such is approved by NYSDEC as not inconsistent with the remedy.
