Re: Certificate of Completion
Cornerstone Enterprises Inc.
Site No. C314116
Village of Pawling, Dutchess County

Dear Ms. Liffland:

Congratulations on having satisfactorily completed the remedial program at the Cornerstone Enterprises Inc. site. Enclosed please find an original, signed Certificate of Completion. The New York State Department of Environmental Conservation (DEC) is pleased to inform you that the Final Engineering Report is hereby approved, allowing the Certificate of Completion (COC) to be issued for the above-referenced site.

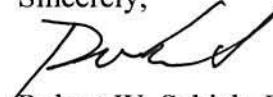

Please note that you are required to perform the following tasks:

- If you are the site owner, you must record a notice of the COC in the recording office for the County (or Counties) where any portion of the site is located within 30 days of issuance of the COC; or if you are a prospective purchaser of the site, you must record a notice of the COC within 30 days of the date that you acquire the site. If you are a non-owner, you must work with the owner to assure the notice of COC is recorded within the time frame specified. A standard notice form is attached to this letter;
- Implement the DEC-approved Site Management Plan (SMP) which details the activities necessary to assure the performance, effectiveness, and protectiveness of the remedial program; and you must report the results of these activities to DEC in a Periodic Review Report (PRR) which also includes any required IC/EC Certifications. The site IC/ECs are identified on the attached Site Management Form. The first PRR including the certification of the IC/ECs is due to the Department in February 2014; and

- You and your lessees must submit an annual report to the New York State Department of Taxation and Finance within one year and for each of the following eleven years after the execution of the Brownfield Site Cleanup Agreement. The Report must provide the information required by Chapter 390 of the Laws of 2008, Tax Law Section 171-s.

If you have any questions regarding any of these items, please contact the project manager, Jamie Verrigni, at 518-402-9662.

Sincerely,

Robert W. Schick, P.E.
