RE: Brownfield Cleanup Program Application
Applicant: Northside Junction, LLC
Site Name: Standard Gage & Coal Storage Site
Address: 58 Parker Avenue and 164 Garden Street
Poughkeepsie, New York 12601

Dear Mr. Lawrence:

We represent Northside Junction, LLC in its anticipated Brownfield Cleanup Program application for the above-referenced site at 58 Parker Avenue and 164 Garden Street in the City of Poughkeepsie, Dutchess County, New York. Your branch is currently the repository for this project. It is a requirement of the NYS Department of Environmental Conservation that we supply them with a letter certifying that the local library is willing and able to serve as a public repository for all documents pertaining to the cleanup of this property. To avoid significant use of your shelf space, all documents will be sent in CD format.

Please sign below and return the signed letter to our office as an attachment to an email if you are able to certify that your library would be willing and able to act as the temporary public repository for this Brownfield Cleanup Program project.

Thank you.

Sincerely,

KNAUF SHAW LLP
