Re: Post Asbestos Abatement Final Visual Inspection For: 273 North Ave.
New Rochelle, NY 10801

To whom it may Concern,

DSA Services, Inc. is pleased to furnish a report to Fisher Development Associates, LLC, To Conduct a Post asbestos abatement final visual inspection for the abatement of the asbestos containing roofing material as outlined in the asbestos report. The services were performed on March 26th ,2019.

Upon Inspection the inspection of the abatement asbestos roofing material. The asbestos roofing material was abated to pass the visual inspection.

DSA Services, Inc. Confirms that the asbestos abatement was successfully completed by Mid Valley Contractors and no remaining asbestos roofing material was visible in the area outlined.

Thank You,

Carlo Frassetti
