Public Comment Invited About Brownfield Cleanup Program Application for Site on Saratoga St., Cohoes

The New York State Department of Environmental Conservation (DEC) has received a Brownfield Cleanup Program (BCP) application from Cohoes II Limited Partnership for a site known as **Cohoes/Saratoga Road Site, site ID #C401077**. This site is in the City of Cohoes, within the County of Albany, and is located at 401 Saratoga Street, Cohoes, NY 12047.

A copy of the application and other relevant documents are available at the document repository located at the Cohoes Public Library, 169 Mohawk Street, Cohoes NY 12047.

There are several ways to comment on BCP applications. Comments can be submitted to the site Project Manager Joshua Haugh, at NYS Department of Environmental Conservation, Division of Environmental Remediation, 1130 North Westcott Road, Schenectady, NY 12306-2014; via email at joshua.haugh@dec.ny.gov or by calling (518) 357-2045. **All comments must be submitted by March 2, 2018.**

Site information can be viewed by entering the site ID noted above at:
<http://www.dec.ny.gov/cfm/xtapps/derexternal/index.cfm?pageid=3>

What is the Brownfield Cleanup Program?

New York's Brownfield Cleanup Program (BCP) is designed to encourage private-sector cleanups of brownfields and to promote their redevelopment as a means to revitalize economically blighted communities. The BCP is an alternative to "greenfield" (land not previously developed or contaminated) development and is intended to remove some of the barriers to, and provide tax incentives for, the redevelopment of brownfields. Since its inception (2003), the BCP has catalyzed the cleanup of more than 300 contaminated sites statewide and incentivized redevelopment. There are more than 350 active sites in the BCP.

Additional information on the State's Brownfield program is available at DEC's website:
