Subject: South Salina BCP -- Weekly Progress Mtg Notes 8-8-22

Good Morning All,

Below are notes from this mornings meeting. [Make note of the commitments section:](#)

Last Week:

- Continued stripping topsoil
- Building pads about 80% complete
- Collected soil samples for waste profiling

-

This Week

- Continue to grade building pads
- Strip topsoil in the retention area

Commitments:

- **PEC:** will send a two week look ahead
- **PEC:** will send all info for imported material requests (source name and location, mine permit number, type of material, sieve test, volume to be imported)
- **PEC:** to confirm if monitoring well is in the building footing.
- **Taurus:** will send current site layout plan.

General Discussion:

- Stumps can be sent to OCCRA for processing once they are cleaned onsite.
- Soil stabilization scheduled for end of August.
- Planning on working four 10's unless otherwise arranged.

LMK if you have questions.

Matt
