FAYETTE MANLIUS, LLC., MONTHLY STATUS REPORT

332 FAYETTE: BCP SITE NO. C734153

Date: June 14, 2022 Reporting Period: 5/11/22 – 6/10/22 Report No. 5

Tasks accomplished this reporting period

1	Collected filtered and unfiltered representative groundwater samples from newly installed well points.
2	Installed interior well point and interior soil borings and surface soil samples per RAWP.
3	Tabulated groundwater data from initial groundwater sampling effort.
4	Implemented RAWP addendum including advancing soil borings in vicinity of SB-3 (elevated Barium).
5	Secured all well points and previously installed geotechnical wells (installed by others)/ Secured Site.

Notes-

Goals for next reporting period

1	Continue to review and tabulate laboratory data as received.
2	Based on review of all available data, evaluate if surface water sampling is deemed necessary.
3	Scheduled interior drain work for late June/early July.
4	Review results of soil sampling near SB-3, determine if additional work is necessary in this area.
5	

Modifications: None
