SECTION II: Project Description			
1. The project will be starting at:	Investigation	Remediation	
NOTE: If the project is proposed to start at the remediation stage, at a minimum, a Remedial Investigation Report (RIR) must be included, resulting in a 30-day public comment period. If an Alternatives Analysis and Remedial Action Work Plan (RAWP) are also included (see DER-10, Technical Guidance for Site Investigation and Remediation for further guidance), then a 45-day public comment period is required.			
2. If a final RIR is included, does it meet the requirements in ECL Article 27-1415(2)?	Yes	No	N/A
3. Have any draft work plans been submitted with the application (select all that apply)?	RIWP	RAWP	IRM No
4. Please provide a short description of the overall project development, including the date that the remedial program is to begin, and the date by which a Certificate of Completion is expected to be issued. Is this information attached?	Yes	No	

SECTION III: Land Use Factors			
1. What is the property's current municipal zoning designation? _____			
2. What uses are allowed by the property's current zoning (select all that apply)?			
Residential	Commercial	Industrial	
3. Current use (select all that apply):			
Residential	Commercial	Industrial	Recreational Vacant
4. Please provide a summary of current business operations or uses, with an emphasis on identifying possible contaminant source areas. If operations or uses have ceased, provide the date by which the site became vacant. Is this summary included with the application?	Y	N	
5. Reasonably anticipated post-remediation use (check all that apply):			
Residential Commercial Industrial			
If residential, does it qualify as single-family housing?		N/A	
6. Please provide a statement detailing the specific proposed post-remediation use. Is this summary attached?			
7. Is the proposed post-remediation use a renewable energy facility? See application instructions for additional information.			
8. Do current and/or recent development patterns support the proposed use?			
9. Is the proposed use consistent with applicable zoning laws/maps? Please provide a brief explanation and additional documentation if necessary.			
10. Is the proposed use consistent with applicable comprehensive community master plans, local waterfront revitalization plans, or other adopted land use plans? Please provide a brief explanation and additional documentation if necessary.			

SECTION IV: Property's Environmental History

All applications **must include** an Investigation Report (per ECL 27-1407(1)). The report must be sufficient to establish that contamination of environmental media exists on the site above applicable Standards, Criteria and Guidance (SCGs) based on the reasonably anticipated use of the site property and that the site requires remediation. To the extent that existing information/studies/reports are available to the requestor, please attach the following (***please submit information requested in this section in electronic format ONLY***):

1. **Reports:** an example of an Investigation Report is a Phase II Environmental Site Assessment report prepared in accordance with the latest American Society for Testing and Materials standard ([ASTM E1903](#)). **Please submit a separate electronic copy of each report in Portable Document Format (PDF). Please do NOT submit paper copies of ANY supporting documents.**
2. **SAMPLING DATA: INDICATE (BY SELECTING THE OPTIONS BELOW) KNOWN CONTAMINANTS AND THE MEDIA WHICH ARE KNOWN TO HAVE BEEN AFFECTED. DATA SUMMARY TABLES SHOULD BE INCLUDED AS AN ATTACHMENT, WITH LABORATORY REPORTS REFERENCED AND INCLUDED.**

CONTAMINANT CATEGORY	SOIL	GROUNDWATER	SOIL GAS
Petroleum			
Chlorinated Solvents			
Other VOCs			
SVOCs			
Metals			
Pesticides			
PCBs			
PFAS			
1,4-dioxane			
Other – indicated below			

*Please describe other known contaminants and the media affected:

3. For each impacted medium above, include a site drawing indicating:
 - Sample location
 - Date of sampling event
 - Key contaminants and concentration detected
 - For soil, highlight exceedances of reasonably anticipated use
 - For groundwater, highlight exceedances of 6 NYCRR part 703.5
 - For soil gas/soil vapor/indoor air, refer to the NYS Department of Health matrix and highlight exceedances that require mitigation

These drawings are to be representative of all data being relied upon to determine if the site requires remediation under the BCP. Drawings should be no larger than 11"x17" and should only be provided electronically. These drawings should be prepared in accordance with any guidance provided.

Are the required drawings included with this application? YES NO

4. Indicate Past Land Uses (check all that apply):

Coal Gas Manufacturing	Manufacturing	Agricultural Co-Op	Dry Cleaner
Salvage Yard	Bulk Plant	Pipeline	Service Station
Landfill	Tannery	Electroplating	Unknown

SECTION V: Requestor Information			
NAME			
ADDRESS			
CITY/TOWN		ZIP CODE	
PHONE		EMAIL	
1. Is the requestor authorized to conduct business in New York State (NYS)?			Y
2. If the requestor is a Corporation, LLC, LLP or other entity requiring authorization from the NYS DOS to conduct business in NYS, the requestor's name must appear, exactly as given above, in the NYS Department of State's Corporation & Business Entity Database . A print-out of entity information from the database must be submitted with this application to document that that requestor is authorized to conduct business in NYS. Is this attached?			N
3. If the requestor is an LLC, the names of the members/owners need to be provided on a separate attachment. Is this attached?			
4. Individuals that will be certifying BCP documents, as well as their employers, must meet the requirements of Section 1.5 of DER-10: Technical Guidance for Site Investigation and Remediation and Article 145 of New York State Education Law. Do all individuals that will be certifying documents meet these requirements? Documents that are not properly certified will not be approved under the BCP.			

SECTION VI: Requestor Eligibility		
If answering "yes" to any of the following questions, please provide appropriate explanation and/or documentation as an attachment.		
	Y	N
1. Are any enforcement actions pending against the requestor regarding this site?		
2. Is the requestor subject to an existing order for the investigation, removal or remediation of contamination at the site?		
3. Is the requestor subject to an outstanding claim by the Spill Fund for this site? Any questions regarding whether a party is subject to a spill claim should be discussed with the Spill Fund Administrator.		
4. Has the requestor been determined in an administrative, civil or criminal proceeding to be in violation of (i) any provision of the ECL Article 27; (ii) any order or determination; (iii) any regulation implementing Title 14; or (iv) any similar statute or regulation of the State or Federal government?		
5. Has the requestor previously been denied entry to the BCP? If so, please provide the site name, address, assigned DEC site number, the reason for denial, and any other relevant information regarding the denied application.		
6. Has the requestor been found in a civil proceeding to have committed a negligent or intentionally tortious act involving the handling, storing, treating, disposing or transporting of contaminants?		

SECTION VI: Requestor Eligibility (CONTINUED)

7. Has the requestor been convicted of a criminal offence (i) involving the handling, storing, treating, disposing or transporting or contaminants; or (ii) that involved a violent felony, fraud, bribery, perjury, theft or offense against public administration (as that term is used in Article 195 of the Penal Law) under Federal law or the laws of any state?	Y	N
8. Has the requestor knowingly falsified statements or concealed material facts in any matter within the jurisdiction of DEC, or submitted a false statement or made use of a false statement in connection with any document or application submitted to DEC?		
9. Is the requestor an individual or entity of the type set forth in ECL 27-1407.9(f) that committed an act or failed to act, and such act or failure to act could be the basis for denial of a BCP application?		
10. Was the requestor's participation in any remedial program under DEC's oversight terminated by DEC or by a court for failure to substantially comply with an agreement or order?		
11. Are there any unregistered bulk storage tanks on-site which require registration?		
12. THE REQUESTOR MUST CERTIFY THAT HE/SHE IS EITHER A PARTICIPANT OR VOLUNTEER IN ACCORDANCE WITH ECL 27-1405(1) BY CHECKING ONE OF THE BOXES BELOW:		
PARTICIPANT A requestor who either (1) was the owner of the site at the time of the disposal of hazardous waste or discharge of petroleum, or (2) is otherwise a person responsible for the contamination, unless the liability arises solely as a result of ownership, operation of, or involvement with the site subsequent to the disposal of hazardous waste or discharge of petroleum.	VOLUNTEER A requestor other than a participant, including a requestor whose liability arises solely as a result of ownership, operation of or involvement with the site subsequent to the disposal of hazardous waste or discharge of petroleum. NOTE: By selecting this option, a requestor whose liability arises solely as a result of ownership, operation of or involvement with the site certifies that he/she has exercised appropriate care with respect to the hazardous waste found at the facility by taking reasonable steps to: (i) stop any continuing discharge; (ii) prevent any threatened future release; and, (iii) prevent or limit human, environmental or natural resource exposure to any previously released hazardous waste. If a requestor whose liability arises solely as a result of ownership, operation of, or involvement with the site, submit a statement describing why you should be considered a volunteer – be specific as to the appropriate care taken.	
13. If the requestor is a volunteer, is a statement describing why the requestor should be considered a volunteer attached?		
Yes	No	N/A

SECTION VI: Requestor Eligibility (CONTINUED)

14. Requestor relationship to the property (check one; if multiple applicants, check all that apply):

Previous Owner Current Owner Potential/Future Purchaser Other: _____

If the requestor is not the current owner, **proof of site access sufficient to complete remediation must be provided.** Proof must show that the requestor will have access to the property before signing the BCA and throughout the BCP project, including the ability to place an environmental easement on the site.

Is this proof attached? Yes No

Note: A purchase contract or lease agreement does not suffice as proof of site access.

LEAD OFFICE: _____

FOR SITES SEEKING TANGIBLE PROPERTY CREDITS IN NEW YORK CITY ONLY

Sufficient information to demonstrate that the site meets one or more of the criteria identified in ECL 27-1407(1-a) must be submitted if requestor is seeking this determination.

BCP App Rev 13

Please respond to the questions below and provide additional information and/or documentation as required.	Y	N
1. Is the property located in Bronx, Kings, New York, Queens or Richmond County?		
2. Is the requestor seeking a determination that the site is eligible for the tangible property credit component of the brownfield redevelopment tax credit?		
3. Is at least 50% of the site area located within an environmental zone pursuant to NYS Tax Law 21(b)(6)?		
4. Is the property upside down or underutilized as defined below?		
Upside down		
Underutilized		

From ECL 27-1405(31):

"Upside down" shall mean a property where the projected and incurred cost of the investigation and remediation which is protective for the anticipated use of the property equals or exceeds seventy-five percent of its independent appraised value, as of the date of submission of the application for participation in the brownfield cleanup program, developed under the hypothetical condition that the property is not contaminated.

From 6 NYCRR 375-3.2(I) as of August 12, 2016 (Please note: Eligibility determination for the underutilized category can only be made at the time of application):

375-3.2:

- (I) "Underutilized" means, as of the date of application, real property on which no more than fifty percent of the permissible floor area of the building or buildings is certified by the applicant to have been used under the applicable base zoning for at least three years prior to the application, which zoning has been in effect for at least three years; and
- (1) the proposed use is at least 75 percent for industrial uses; or
- (2) at which:
- (i) the proposed use is at least 75 percent for commercial or commercial and industrial uses;
 - (ii) the proposed development could not take place without substantial government assistance, as certified by the municipality in which the site is located; and
 - (iii) one or more of the following conditions exists, as certified by the applicant:
 - (a) property tax payments have been in arrears for at least five years immediately prior to the application;
 - (b) a building is presently condemned, or presently exhibits documented structural deficiencies, as certified by a professional engineer, which present a public health or safety hazard; or
 - (c) there are no structures.

"Substantial government assistance" shall mean a substantial loan, grant, land purchase subsidy, land purchase cost exemption or waiver, or tax credit, or some combination thereof, from a governmental entity.

FOR SITES SEEKING TANGIBLE PROPERTY CREDITS IN NEW YORK CITY ONLY (continued)

5. If you are seeking a formal determination as to whether your project is eligible for Tangible Property Tax Credits based in whole or in part on its status as an affordable housing project (defined below), you must attach the regulatory agreement with the appropriate housing agency (typically, these would be with the *New York City Department of Housing, Preservation and Development*; the *New York State Housing Trust Fund Corporation*; the *New York State Department of Housing and Community Renewal*; or the *New York State Housing Finance Agency*, though other entities may be acceptable pending Department review).

Check appropriate box below:

Project is an Affordable Housing Project – regulatory agreement attached

Project is planned as Affordable Housing, but agreement is not yet available*

*Selecting this option will result in a “pending” status. The regulatory agreement will need to be provided to the Department and the Brownfield Cleanup Agreement will need to be amended prior to issuance of the CoC in order for a positive determination to be made.

This is not an Affordable Housing Project

From 6 NYCRR 375-3.2(a) as of August 12, 2016:

- (a) “Affordable housing project” means, for purposes of this part, title fourteen of article twenty-seven of the environmental conservation law and section twenty-one of the tax law only, a project that is developed for residential use or mixed residential use that must include affordable residential rental units and/or affordable home ownership units.
- (1) Affordable residential rental projects under this subdivision must be subject to a federal, state, or local government housing agency’s affordable housing program, or a local government’s regulatory agreement or legally binding restriction, which defines (i) a percentage of the residential rental units in the affordable housing project to be dedicated to (ii) tenants at a defined maximum percentage of the area median income based on the occupants’ household’s annual gross income.
- (2) Affordable home ownership projects under this subdivision must be subject to a federal, state, or local government housing agency’s affordable housing program, or a local government’s regulatory agreement or legally binding restriction, which sets affordable units aside for homeowners at a defined maximum percentage of the area median income.
- (3) “Area median income” means, for purposes of this subdivision, the area median income for the primary metropolitan statistical area, or for the county if located outside a metropolitan statistical area, as determined by the United States department of housing and urban development, or its successor, for a family of four, as adjusted for family size.

FOR SITES SEEKING TANGIBLE PROPERTY CREDITS IN NEW YORK CITY ONLY (continued)

6. Is the site a planned renewable energy facility site as defined below?

Yes – planned renewable energy facility site

No – not a planned renewable energy facility site

If yes, please provide any documentation available to demonstrate that the property is planned to be developed as a renewable energy facility site.

From ECL 27-1405(33) as of April 9, 2022:

"Renewable energy facility site" shall mean real property (a) this is used for a renewable energy system, as defined in section sixty-six-p of the public service law; or (b) any co-located system storing energy generated from such a renewable energy system prior to delivering it to the bulk transmission, sub-transmission, or distribution system.

From Public Service Law Article 4 Section 66-p as of April 23, 2021:

(b) "renewable energy systems" means systems that generate electricity or thermal energy through use of the following technologies: solar thermal, photovoltaics, on land and offshore wind, hydroelectric, geothermal electric, geothermal ground source heat, tidal energy, wave energy, ocean thermal, and fuel cells which do not utilize a fossil fuel resource in the process of generating electricity.

7. Is the site located within a disadvantaged community, within a designated Brownfield Opportunity Area, and meets the conformance determinations pursuant to subdivision ten of section nine-hundred-seventy-r of the general municipal law?

Yes

No

From ECL 75-0111 as of April 9, 2022:

(5) "Disadvantaged communities" means communities that bear the burdens of negative public health effects, environmental pollution, impacts of climate change, and possess certain socioeconomic criteria, or comprise high-concentrations of low- and moderate-income households, as identified pursuant to section 75-0111 of this article.

This document and its attachments supplement the Brownfield Cleanup Program (BCP) Application. The information is organized by the BCP Application sections. If no additional information is required, it is noted under its relevant section.

Section I – Property Information

The proposed Lofts at 1117 Site (Site) is located at 1117 West Fayette Street (SBL: 099.-03-03.0) in Syracuse, Onondaga County, New York, as noted in the form. **Figure 1** depicts the Site on a USGS 7.5 minute quadrangle map.

1. Tax Map Boundaries

The boundaries of the BCP Site correspond to the tax map boundaries. A Site Survey is attached as **Figure 2**. An Onondaga County tax map is included as **Figure 3**.

2. Property Map

A map showing the proposed BCP Site on an aerial photograph is included as **Figure 4**. **Figure 5** shows parcel lines, tax map parcel numbers and owner information for adjacent parcels. **Figure 6** depicts land use for the local area.

3. Enzone

The Site is located immediately adjacent to, but outside of Census Tract 30 Enzone.

4. Disadvantaged Communities

The Site is not located within a disadvantaged community.

5. Brownfield Opportunity Area

The Site is not located within a Brownfield Opportunity Area.

6. Multiple Applications

The proposed project is a stand-alone project and is not the subject of multiple applications.

7. Source of Contamination

The source of contamination on the Site is unknown, however it is assumed that it is not solely emanating from off-site.

12. Easements and Right of Ways

A perpetual easement to the United States of America (Book QQ Page 239) is present along the southern extent of the Site as shown in **Figure 2**.

14. Property Description Narrative

14.1 Location

The Site is located in the Syracuse Westside community. The site is bounded to the north by West Fayette Street, to the south by a shopping plaza, to the east by a multi-tenant commercial building, and to the west by a parking lot.

14.2 Site Features

The Property contains two commercial buildings connected by a second-story bridge. There is a north building and a south building.

The north building was constructed in circa 1900. The building is three stories and consists of brick and mortar exterior walls, reinforced concrete interior walls and floors, a stacked stone foundation, and a flat roof. The building has a basement. The building is equipped with forced air heating, but is not equipped with a cooling system.

The south building was constructed in circa 1900. The building is three stories and consists of brick and mortar exterior walls, wood frame, a situated on a concrete slab foundation, and a sloped shingle roof. The building is equipped with forced air heating, but is not equipped with a cooling system.

The Site is located at approximately 395 feet above mean sea level (msl) and is generally flat. The exterior of the Site consists primarily of asphalt surfaces and very small areas of grass.

14.3 Current Zoning and Land Use

The Site and all adjoining site are currently in a Class A Industrial District. Uses permitted in Class A Industrial Districts include, but are not limited to, local retail and service stores, office buildings, restaurants, churches, hospitals, warehouses, some light manufacturing establishments, motor vehicle sales, motor vehicle repair, parking lots, hotels, and dwellings / apartments / condominiums.

14.4 Past Use of the Site

The proposed BCP site was originally developed for industrial purposes in 1900. Historical Site uses include a gear company, a hat manufacturer, toy manufacturing, screw-type machining, printing, and painting. Gear manufacturing typically involves the machining of ferrous or non-ferrous metals, coolants or oils for lubrication / cutting, and solvents or acids for cleaning. Screw-type machining involves similar types of activities and chemicals. Paints historically contained heavy metals, including lead.

Remedial Events Prior to BCP sampling

The Site was identified in the NY SPILLS database, as described in a June 2022 Phase I ESA by C&S Engineers, Inc. (C&S). Motor vehicle crashes occurred in 2003 and 2008, causing the release of transformer oil from utility poles along the road. In both instances, the spills were reportedly

remediated. Due to the remedial actions taken and the NYSDEC closing the spill files, the June 2022 Phase I ESA concluded that the spills were not a concern relative to the environmental condition of the Site.

14.5 Site Geology and Hydrogeology

The Site contains historic fill material (HFM) across a significant portion of the Site from grade to approximately five feet below ground surface (bgs) generally. Generally, native soil is located below the fill and consists of tan silt and fine, medium, and coarse sand. Groundwater was encountered between 8 and 12 feet bgs at two temporary wells installed as a part of a September 2022 Phase II ESA by C&S Based on topography and the location of Onondaga Lake to the north-northwest of the Site, it is likely that groundwater flow is to the north-northwest.

14.6 Environmental Assessment

The September 2022 Phase II ESA consisted of the advancement of 16 soil borings, installation of two temporary monitoring wells, and collection of three sets of indoor air / sub-slab air samples. A total of ten soil samples, two groundwater samples, and three sets of indoor air / sub-slab air samples were collected and submitted for laboratory analysis.

Soil Assessment

Based on the September 2022 Phase II ESA, the known contaminants of concern in the soil include semi-volatile organic compounds (SVOCs) and metals. Impacts are generally from grade to five feet bgs within the HFM with the exception of an area exhibiting evidence of petroleum contamination (staining and odor) from seven to nine feet bgs at one location.

The following summarizes the number of samples that contained contaminants at concentrations greater than a respective Soil Cleanup Objective (SCO):

- Protection of Groundwater SCOs: Four of ten samples.
- Restricted-Residential SCOs: Four of ten samples
- Commercial SCOs: Four of ten samples
- Industrial SCOs: Two of ten samples

SVOCs were detected at concentrations greater than Restricted-Residential Use SCOs at one location (SB-10A). Benzo(b)fluoranthene and indeno(1,2,3-cd)pyrene were detected at 1.1 and 0.61 parts per million ppm, respectively. The Restricted-Residential Use SCOs are 1 ppm and 0.5, respectively. A chrysene concentration of 1.2 ppm at SB-10 exceeds the Protection of Groundwater SCO of 1 ppm.

Metals marginally to significantly exceeded SCOs:

- A barium concentration (462 mg/kg) exceeded the Commercial Use SCO (400 mg/kg) at one location.
- A copper concentration (436 mg/kg) exceeded the Commercial Use SCO (270 mg/kg) at one location.
- A lead concentration (4,720 mg/kg) exceeded the Industrial Use SCO (3,900 mg/kg) at one location. At that concentration, the soil may be hazardous for lead. The concentration also significantly exceeds the Protection of Groundwater SCO of 450 ppm.
- Mercury concentrations (2.32 and 11.6 mg/kg) exceeded the Restricted Residential SCO of 0.81 mg/kg at one location and the Industrial Use SCO of 5.7 mg/kg at one location. The concentrations at both locations exceed the Protection of Groundwater SCO of 0.73 ppm. Four other locations (SB-02A, SB-05A, SB-06, and SB-10A) are just below the Protection of Groundwater SCO. Concentrations at these locations range from 0.549 to 0.638 ppm.
- The nickel concentration of 154 ppm at SB-10 exceeds the Protection of Groundwater SCO of 130 ppm.
- A cyanide concentration (140 mg/kg) exceeded the Commercial Use SCO (27 mg/kg) at one location. That concentration also exceeds the Protection of Groundwater SCO of 40 ppm.

Summaries of the soil data, as taken from the C&S September 2022 Phase II ESA, are provided in **Table 1** and **Figure 7**, attached to this application.

Groundwater Assessment

Based on the September 2022 Phase II ESA, the known contaminants of concern in the groundwater include SVOCs and metals. The following table summarizes the analytes detected at concentrations greater than TOGs 1.1.1 Class GA Ambient Water Quality Standards.

Analyte	TOGs 1.1.1 Class GA Ambient Water Quality Standard	MW-1	MW-2
Benzo(a)anthracene	0.002	0.04	0.04

- Standards and Results are reported in µg/L
- Groundwater was collected from temporary monitoring wells. The effluent was turbid.

Summaries of the groundwater data, as taken from the C&S September 2022 Phase II ESA, are provided in **Table 2** and **Figure 8**, attached to this application.

Soil Vapor Assessment

Based on the limited soil vapor assessment for the September 2022 Phase II ESA, no concerns were identified.

Summaries of the sub-slab / indoor air data, as taken from the C&S September 2022 Phase II ESA, are provided in **Tables 3 and 4** and **Figure 9**, attached to this application.

Section II – Project Description

The Site is located at 1117 West Fayette Street in the City of Syracuse, Onondaga County, New York. The Site includes two brick and mortar buildings which account for approximately 29,063 square feet of gross building space. The buildings were constructed in approximately 1900. The Site is approximately 0.46 acres in size. The following summarizes the current use of the Site buildings:

- 1st Floor Northern Building: Commercial office space
- 2nd Floor Northern Building: Screen printing operation and storage space
- 3rd Floor Northern Building: Storage space
- 1st Floor Southern Building: A&M Electric (electrical contractor)
- 2nd and 3rd Floor Southern Building: Storage space

Figure 1 depicts the Site on a USGS 7.5 minute quadrangle map.

The Property was recently acquired by the Applicant, who plans to complete a historic rehabilitation of the building for residential use (apartments). The completed project is expected to provide approximately 38 low-income residential units totaling approximately 22,573 square feet. Restricted-Residential Use Soil Cleanup Objectives (SCOs) are applicable to the redevelopment project and applied in this application.

The reuse of the Property is planned to utilize Historic Tax Credits (Federal and New York State).

The Site is located in the Syracuse Westside Community. The site is bounded to the north by West Fayette Street, to the south by a shopping plaza, east by a multi-tenant commercial building, and west by a parking lot.

The Site was the subject of a recent environmental investigation, which demonstrated that the Site has been affected by past uses and may be a candidate for inclusion in the BCP. The results of the recent investigation are discussed in **Sections II and IV**.

Estimated Project Schedule:

December 2022	Brownfield Cleanup Program (BCP) Application Submission and Remedial Investigation Work Plan (RIWP) Submission
February 2023	BCP Application Re-Submission
February 2023	BCP Acceptance
March 2023	Brownfield Cleanup Agreement (BCA) Executed and RIWP Approved
Spring 2023	Remedial Investigation (RI)
Summer 2023	RI Report Submission and Approval
Summer 2023	Alternatives Analysis Report (AAR) and Remedial Action Work Plan (RAWP) Submission and Approval
Late Summer 2023	Decision Document
Fall 2023	Construction / Remediation Commencement
Spring 2024	Site Management Plan (SMP) / Final Engineering Report (FER) Submission
Fall 2024	SMP and FER Approved
December 2024	Certificate of Completion (COC) Issued

Section III – Land Use Factors

1. Current Zoning

The Site and all adjoining site are currently in a Class A Industrial District. The intent of Class A Industrial Districts is to “provide appropriate areas on or near major routes within the City of Syracuse permitting the development and continued use of lands for compatible retail, commercial and industrial uses, while prohibiting land uses that are not compatible with the permitted land uses or considered to be hazardous, objectionable or offensive by reason of noise, vibration, dust, smoke, odors, and the like to the public health, safety, welfare and interests.” Uses permitted in Class A Industrial Districts include, but are not limited to, local retail and service stores, office buildings, restaurants, churches, hospitals, warehouses, some light manufacturing establishments, motor vehicle sales, motor vehicle repair, parking lots, hotels, and dwellings / apartments / condominiums.

2. Current Uses: Summary of Business Operations

The Site includes two brick and mortar buildings which account for approximately 29,063 square feet of gross building space. The buildings were constructed in approximately 1900. The Site is approximately 0.46 acres in size. The following summarizes the current use of the Site buildings:

- 1st Floor Northern Building: Commercial office space
- 2nd Floor Northern Building: Screen printing operation and storage space
- 3rd Floor Northern Building: Storage space
- 1st Floor Southern Building: A&M Electric (electrical contractor)
- 2nd and 3rd Floor Southern Building: Storage space

3. Intended Use – Post Remediation

The anticipated post remediation use of the site is an apartment building. The completed project is expected to provide approximately 38 low-income residential units totaling approximately 22,573 square feet. The project is expected to provide seven on-site parking spots and 22 leased parking spots from the lot adjacent to the west of the Site. However, the applicant is investigating the ability to purchase land to the west for future inclusion into this BCP Site.

4. Current, Historical and/or Recent Development Patterns

Population, housing values, and the number of manufacturing jobs have declined since the 1970s. As such, the area in which the proposed BCP Site is located in an area that has been the focus of public interest concerning the stabilization of existing neighborhoods and plan for future growth.

5. Consistency with Zoning

The Site and all adjoining site are currently in a Class A Industrial District. The Project will use the existing buildings as apartment buildings. Uses permitted in Class A Industrial Districts include, but are not limited to, local retail and service stores, office buildings, restaurants, churches, hospitals, warehouses, some light manufacturing establishments, motor vehicle sales, motor vehicle repair,

parking lots, hotels, and dwellings / apartments / condominiums. The completed project is expected to provide approximately 38 low-income residential units totaling approximately 22,573 square feet. Thus, the project is consistent with current zoning.

6. Consistency with Plans

The proposed BCP Site is located in City of Syracuse census tract 29. According to “A Study of Affordable Housing in the City of Syracuse” prepared by the City of Syracuse Department of Neighborhood & Business Development in June 2017, affordable housing units in the City of Syracuse are not geographically distributed evenly. As of the date of the document, there were no affordable housing units in census tract 29. Low-income housing options are needed for existing City of Syracuse residents across the City. Being in an area with a low density of affordable housing, the Site is a prime candidate for development into low-income housing.

Section IV – Property’s Environmental History

Environmental Reports

Environmental information currently exists for the Site from a Phase I ESA completed at the Site by C&S in June 2022 and a Phase II ESA completed at the site by C&S in September 2022. The following summarizes those efforts. These reports are provided in **Attachment A**.

C&S Phase I ESA Report – June 2022

The June 2022 Phase I ESA identified the following Recognized Environmental Conditions (RECs):

- The historical painting operation on the Site was considered a REC due to the possible mishandling and / or improper storage of paints, solvents, and other chemicals (and resulting wastes) commonly used during painting operation.
- The historical manufacturing operations on the Site was considered a REC due to the possible mishandling and / or improper storage of paints, solvents, and petroleum products (and resulting wastes) commonly used during manufacturing processes.
- The historical operation of a railroad within the immediate area of the Site was considered a REC due to the possible petroleum or chemical releases during transport.
- The historical presence of a dry-cleaning operation within the immediate area of the Site was considered a REC due to the concern for chlorinated solvents commonly associated with dry-cleaning operations.
- Several five-gallon containers and 55-gallon drums, as well as a bulk storage tank, of oil are present in the southeastern corner room of the southern building. The drums appeared to be in poor condition and no active leaks were observed. A large amount of staining and buildup of an unknown material is present in the area of these containers. The presence and conditions of the containers and staining around them was considered a REC.

C&S Phase II ESA – September 2022

The September 2022 Phase II ESA (i.e., Investigation) was completed to obtain an overview of the environmental and subsurface conditions. It was not the intent of the Investigation to delineate potential impacts from historical site uses. A ground penetrating radar (GPR) survey has not been completed to identify buried private utilities or investigate for the potential of buried features such as dry wells or USTs.

The Investigation consisted of the advancement of 16 soil borings, installation of two temporary monitoring wells, and collection of three sets of indoor air / sub-slab air samples. A total of ten soil samples, two groundwater samples, and three sets of indoor air / sub-slab air samples were collected and submitted for laboratory analysis. Soil samples were analyzed for a combination of New York State Department of Environmental Conservation (NYSDEC) Part 375 VOCs; Part 375

SVOCs; and Part 375 metals. Groundwater samples were analyzed for NYSDEC Part 375 VOCs; Part 375 SVOCs; and Part 375 metals analysis. The air samples were analyzed via USEPA Method TO-15 for VOCs.

The following table summarizes the areas investigated, as well as the number and types of samples collected during the C&S Investigation.

Sampling Media	Sampling Method(s)	No. of Samples	Analysis
Subsurface Soil	Geoprobe Borings (10)	4	VOC, SVOC, Metals
Subsurface Soil	Hand-Auger Borings (6)	6	SVOC, Metals
Groundwater	Manually bailed from temporary wells (2)	2	VOC, SVOC, Metals
Sub-slab, Indoor, and Outdoor Air	Summa Canister (7)	3 Sets	VOC

The principle contaminants at the site are SVOCs and metals, as follows:

Analyte	Number of Exceedances					
	Protection of Groundwater	Unrestricted SCO	Residential SCO	Residential-Restricted SCO	Commercial SCO	Industrial SCO
Benzo(b)fluoranthene		1	1	1		
Chrysene	1	1	1			
Indeno(1,2,3-cd)pyrene		1	1	1		
Barium		2	2	1	1	
Copper		6	1	1	1	
Lead	1	8	1	1	1	1
Mercury	2	8	2	2	1	1
Nickel	1	2	1			
Zinc		4				
Cyanide	1	1	1	1	1	

Analytical sample results from the Investigation are summarized in detail below.

Sampling Data

A total of four soil samples from geoprobe borings and six soil samples from hand-augered borings were collected from within the BCP Site boundaries in September 2022. The soil samples were analyzed for a combination of NYSDEC Part 375 VOCs, Part 375 SVOCs, and Part 375 metals.

Soil Data Summary:

Comparison of the soil analytical data to the Part 375-6 SCOs indicates:

- The only VOC exceedance of Unrestricted Use SCOs was acetone in SB-10 (7.5-9). No VOCs were detected at concentrations greater than Restricted Residential SCOs.
- SVOCs were detected at concentrations greater than Restricted-Residential Use SCOs at one location (SB-10A). Benzo(b)fluoranthene and indeno(1,2,3-cd)pyrene were detected at 1.1 and 0.61 parts per million ppm, respectively. The Restricted-Residential Use SCOs are 1 ppm

and 0.5, respectively. A chrysene concentration of 1.2 ppm at SB-10 exceeds the Protection of Groundwater SCO of 1 ppm.

Metals were detected at concentrations greater than Unrestricted and Restricted Residential SCOs.

- A barium concentration (462 mg/kg) exceeded the Commercial Use SCO (400 mg/kg) at one location.
- A copper concentration (436 mg/kg) exceeded the Commercial Use SCO (270 mg/kg) at one location.
- A lead concentration (4,720 mg/kg) exceeded the Industrial Use SCO (3,900 mg/kg) at one location. At that concentration, the soil may be hazardous for lead. The concentration also significantly exceeds the Protection of Groundwater SCO of 450 ppm.
- Mercury concentrations (2.32 and 11.6 mg/kg) exceeded the Restricted Residential SCO of 0.81 mg/kg at one location and the Industrial Use SCO of 5.7 mg/kg at one location. The concentrations at both locations exceed the Protection of Groundwater SCO of 0.73 ppm. Four other locations (SB-02A, SB-05A, SB-06, and SB-10A) are just below the Protection of Groundwater SCO. Concentrations at these locations range from 0.549 to 0.638 ppm.
- The nickel concentration of 154 ppm at SB-10 exceeds the Protection of Groundwater SCO of 130 ppm.
- A cyanide concentration (140 mg/kg) exceeded the Commercial Use SCO (27 mg/kg) at one location. That concentration also exceeds the Protection of Groundwater SCO of 40 ppm.

Summaries of the soil data, as taken from the C&S September 2022 Phase II ESA, are provided in **Table 1** and **Figure 7**, attached to this application.

Groundwater Data Summary:

Comparison of the groundwater analytical data to Technical and Operational Guidance Series 1.1.1 (TOGS 1.1.1) Class GA Ambient Water Quality Standards indicates:

- No VOCs were detected above TOGs 1.1.1 Class GA Ambient Water Quality Standards in groundwater samples. Trichloroethene (MW-1) and acetone (MW-2) were detected well below groundwater standards.
- Six SVOCs (benzo(a)anthracene, benzo(a)pyrene, benzo(b)fluoranthene, benzo(k)fluoranthene, chrysene, and indeno(1,2,3-cd)pyrene) exceeded TOGs 1.1.1 Class GA Ambient Water Quality Standards in both groundwater samples ranging from 0.01 to 0.04 µg/L.
- 15 metals (arsenic, barium, beryllium, cadmium, chromium, copper, iron, lead, magnesium, manganese, mercury, nickel, sodium, thallium, and zinc) marginally to significantly exceeded TOGs 1.1.1 Class GA Ambient Water Quality Standards in both groundwater samples. As noted above, the samples were collected from temporary one-inch monitoring wells. The effluent was turbid. It is expected that permanent two-inch wells that are sufficiently developed prior to sampling would reveal lower concentrations of metals.

Summaries of the groundwater data, as taken from the C&S September 2022 Phase II ESA, are provided in **Table 2** and **Figure 8**, attached to this application.

Sub-slab / Indoor Air Data Summary:

The New York State Department of Health (NYSDOH) has a limited list of compounds with air guideline values (AGV). Additionally, the NYSDEC and NYSDOH do not currently have standards, criteria or guidance values for concentrations of petroleum-related compounds in soil vapor or indoor air. However, the NYSDOH has developed guidance in the form of decision matrices comparing sub-slab and indoor air concentrations of compounds and, based on these concentrations, providing recommended actions.

Comparison of the sub-slab / indoor air analytical data to the above-mentioned guidance values indicates:

- No analytes were detected above NYSDOH AGVs in the indoor air samples.
 - Low-level (< 1.3 µg/m³) methylene chloride was detected in all samples, including OA-1.
 - Tetrachloroethylene was detected in SS-1 at a concentration of 0.45 µg/m³.
 - Low-level (< 0.12 µg/m³) trichloroethene was detected in all samples except for SS-2 and SS-3, including OA-1.
- Petroleum-related compounds were detected.
 - Low-level 1,2,4-trimethylbenzene (< 0.84 µg/m³), benzene (< 1.4 µg/m³), m,p-xylene (< 2.8 µg/m³), o-xylene (< 1.0 µg/m³), and toluene (< 5.9 µg/m³) was detected in IA-1, IA-2, and IA-3.
 - Low-level 1,3,5-trimethylbenzene (< 0.36 µg/m³) and ethylbenzene (< 0.75 µg/m³) was detected in IA-2 and IA-3.
 - Petroleum-related compound concentrations were greater in IA-2 and IA-3 which were located in the southern building on the site. Of IA-2 and IA-3, IA-3 concentrations of petroleum-related compounds were greater. IA-3 was located approximately 25 feet from a closet storing petroleum and chemical products.
- According to the NYSDOH decision matrices, the laboratory analytical data indicates that no further action is necessary regarding vapor intrusion.

Summaries of the sub-slab / indoor air data, as taken from the C&S September 2022 Phase II ESA, are provided in **Tables 3 and 4** and **Figure 9**, attached to this application.

Site Figures

Numerous figures have been generated depicting pertinent details concerning the site and adjacent properties. These figures are referenced throughout this document.

Past Land Uses:

The proposed BCP site was originally developed in approximately 1900. Since that time, the Property has been utilized by numerous owners / occupants. The following Site operator timeline is based on historical documentation (city directories, aerial photographs, topographic maps, fire insurance maps) reviewed in the June 2022 Phase I ESA.

Years	Occupants
Prior to 1925	Kemp Manufacturing Burpee MFGO Co
1925-1930	Brown Lipe Gear Co.
1949-1959	Spinney B H Co (electrical appliances sales)
1973-1988	Paramount Cap Co Inc (hat manufacturer) Ward Sales Company, Inc. (toy manufacturing)
1998	Howard Joan, Pioneer Screw Machines Ward Sales Company, Inc. (printing/painting) Welling Industries
2000	Concord Recording Studio Pioneer Screw Machine Products Ward Sales Company, Inc. Wood Chuck
2003	Concord Recording Studio Ward Sales Company, Inc.
2008	Black Sun Entertainment Concord Recording Studio Pioneer Screw Machine Products Ward Sales Company, Inc.
2012-Present	AM Electric (electrical contractor) Ward Sales Company, Inc.

Adjacent Usage:

The area surrounding the Site has a long history of manufacturing, starting in the early 1900s. Historical operations in the vicinity of the Site included machine manufacturing, car part manufacturing, and mill construction operations. Manufacturing in the area continued until commercial and residential development increased in the mid-1960s. The former machine manufacturing facility to the south of the Site was redeveloped into a shopping plaza which included a dry-cleaning operation in the early 2000s.

Section X - Property Eligibility Information

The Site is not on the National Priorities List, not on the NYS Registry of Inactive Hazardous Waste Disposal Sites, not subject to permitting under ECL Article 27-16305, not subject to a cleanup order under Navigation Law Article 12 or ECL Article 17 Title 10, and not subject to current state or federal enforcement actions related to hazardous waste or petroleum.

The anticipated post remediation use of the site is an apartment building. The completed project is expected to provide approximately 38 low-income residential units. In order to do so, the Volunteer, at a minimum, must remediate the Property to Restricted-Residential Use Soil Clean-up levels (Track 4) under 6 NYCRR Part 375.

The Site has been used for industrial and commercial purposes since approximately 1900. Site ownership and operation details are provided previously in **Sections IX and IV**. Currently the Site is occupied by an electrical contractor and a printing operation.

Based on the current condition of petroleum storage containers on the Site as well as historical Site usage, contamination may exist in areas that were inaccessible during the Phase II ESA. There is also the potential that adjacent properties (manufacturers and dry cleaning) could contribute to onsite contamination.

In addition to the above, the Phase I and II ESAs documented contamination and historical uses of the Property that complicate the redevelopment of the site for residential purposes, and also creates a financial burden for the Volunteer.

The conveyance of real property is exempt from the real estate transfer tax for the following reason:

- a. Conveyance is to the United Nations, the United States of America, New York State, or any of their instrumentalities, agencies, or political subdivisions (or any public corporation, including a public corporation created pursuant to agreement or compact with another state or Canada) a ☐
- b. Conveyance is to secure a debt or other obligation..... b ☐
- c. Conveyance is without additional consideration to confirm, correct, modify, or supplement a prior conveyance..... c ☐
- d. Conveyance of real property is without consideration and not in connection with a sale, including conveyances conveying realty as bona fide gifts..... d ☐
- e. Conveyance is given in connection with a tax sale..... e ☐
- f. Conveyance is a mere change of identity or form of ownership or organization where there is no change in beneficial ownership. (This exemption cannot be claimed for a conveyance to a cooperative housing corporation of real property comprising the cooperative dwelling or dwellings.) Attach Form TP-584.1, Schedule F f ☐
- g. Conveyance consists of deed of partition g ☐
- h. Conveyance is given pursuant to the federal Bankruptcy Act..... h ☐
- i. Conveyance consists of the execution of a contract to sell real property, without the use or occupancy of such property, or the granting of an option to purchase real property, without the use or occupancy of such property i ☐
- j. Conveyance of an option or contract to purchase real property with the use or occupancy of such property where the consideration is less than \$200,000 and such property was used solely by the grantor as the grantor's personal residence and consists of a one-, two-, or three-family house, an individual residential condominium unit, or the sale of stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold covering an individual residential cooperative apartment..... j ☐
- k. Conveyance is not a conveyance within the meaning of Tax Law, Article 31, § 1401(e) (attach documents supporting such claim) k ☐

* The total tax (from Part 1, line 6 and Part 2, line 3 above) is due within 15 days from the date of conveyance. Make check(s) payable to the county clerk where the recording is to take place. For conveyances of real property within New York City, use Form TP-584-NYC. If a recording is not required, send this return and your check(s) made payable to the **NYS Department of Taxation and Finance**, directly to the NYS Tax Department, RETT Return Processing, PO Box 5045, Albany NY 12205-0045. If not using U.S. Mail, see Publication 55, *Designated Private Delivery Services*.

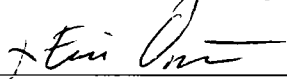

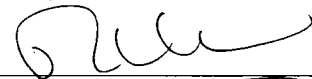

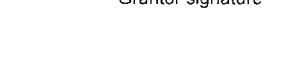

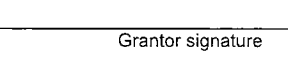

Schedule C – Credit Line Mortgage Certificate (Tax Law Article 11)**Complete the following only if the interest being transferred is a fee simple interest.**

This is to certify that: (mark an X in the appropriate box)

1. ☒ The real property being sold or transferred is not subject to an outstanding credit line mortgage.
2. ☐ The real property being sold or transferred is subject to an outstanding credit line mortgage. However, an exemption from the tax is claimed for the following reason:
- a. ☐ The transfer of real property is a transfer of a fee simple interest to a person or persons who held a fee simple interest in the real property (whether as a joint tenant, a tenant in common or otherwise) immediately before the transfer.
- b. ☐ The transfer of real property is (A) to a person or persons related by blood, marriage or adoption to the original obligor or to one or more of the original obligors or (B) to a person or entity where 50% or more of the beneficial interest in such real property after the transfer is held by the transferor or such related person or persons (as in the case of a transfer to a trustee for the benefit of a minor or the transfer to a trust for the benefit of the transferor).
- c. ☐ The transfer of real property is a transfer to a trustee in bankruptcy, a receiver, assignee, or other officer of a court.
- d. ☐ The maximum principal amount secured by the credit line mortgage is \$3 million or more, and the real property being sold or transferred is **not** principally improved nor will it be improved by a one- to six-family owner-occupied residence or dwelling.
- Note:** for purposes of determining whether the maximum principal amount secured is \$3 million or more as described above, the amounts secured by two or more credit line mortgages may be aggregated under certain circumstances. See TSB-M-96(6)-R for more information regarding these aggregation requirements.
- e. ☐ Other (attach detailed explanation).
3. ☐ The real property being transferred is presently subject to an outstanding credit line mortgage. However, no tax is due for the following reason:
- a. ☐ A certificate of discharge of the credit line mortgage is being offered at the time of recording the deed.
- b. ☐ A check has been drawn payable for transmission to the credit line mortgagee or mortgagee's agent for the balance due, and a satisfaction of such mortgage will be recorded as soon as it is available.
4. ☐ The real property being transferred is subject to an outstanding credit line mortgage recorded in _____ (insert liber and page or reel or other identification of the mortgage). The maximum principal amount of debt or obligation secured by the mortgage is _____. No exemption from tax is claimed and the tax of _____ is being paid herewith. (Make check payable to county clerk where deed will be recorded.)

Schedule D – Certification of exemption from the payment of estimated personal income tax (Tax Law, Article 22, § 663)

Complete the following only if a fee simple interest or a cooperative unit is being transferred by an individual or estate or trust.

If the property is being conveyed by a referee pursuant to a foreclosure proceeding, proceed to Part 2, mark an **X** in the second box under *Exemption for nonresident transferors/sellers*, and sign at bottom.

Part 1 – New York State residents

If you are a New York State resident transferor/seller listed in Form TP-584, Schedule A (or an attachment to Form TP-584), you must sign the certification below. If one or more transferor/seller of the real property or cooperative unit is a resident of New York State, **each** resident transferor/seller must sign in the space provided. If more space is needed, photocopy this Schedule D and submit as many schedules as necessary to accommodate all resident transferors/sellers.

Certification of resident transferors/sellers

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor/seller as signed below was a resident of New York State, and therefore is not required to pay estimated personal income tax under Tax Law § 663(a) upon the sale or transfer of this real property or cooperative unit.

Note: A resident of New York State may still be required to pay estimated tax under Tax Law § 685(c), but not as a condition of recording a deed.

Part 2 – Nonresidents of New York State

If you are a nonresident of New York State listed as a transferor/seller in Form TP-584, Schedule A (or an attachment to Form TP-584) but are not required to pay estimated personal income tax because one of the exemptions below applies under Tax Law § 663(c), mark an **X** in the box of the appropriate exemption below. If any one of the exemptions below applies to the transferor/seller, that transferor/seller is not required to pay estimated personal income tax to New York State under Tax Law § 663. **Each** nonresident transferor/seller who qualifies under one of the exemptions below must sign in the space provided. If more space is needed, photocopy this Schedule D and submit as many schedules as necessary to accommodate all nonresident transferors/sellers.

If none of these exemption statements apply, you must complete Form IT-2663, *Nonresident Real Property Estimated Income Tax Payment Form*, or Form IT-2664, *Nonresident Cooperative Unit Estimated Income Tax Payment Form*. For more information, see *Payment of estimated personal income tax*, on Form TP-584-I, page 1.

Exemption for nonresident transferors/sellers

This is to certify that at the time of the sale or transfer of the real property or cooperative unit, the transferor/seller (grantor) of this real property or cooperative unit was a nonresident of New York State, but is not required to pay estimated personal income tax under Tax Law § 663 due to one of the following exemptions:

- ☐ The real property or cooperative unit being sold or transferred qualifies in total as the transferor's/seller's principal residence (within the meaning of Internal Revenue Code, section 121) from _____ to _____ (see instructions).
Date Date
- ☐ The transferor/seller is a mortgagor conveying the mortgaged property to a mortgagee in foreclosure, or in lieu of foreclosure with no additional consideration.
- ☐ The transferor or transferee is an agency or authority of the United States of America, an agency or authority of New York State, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, or a private mortgage insurance company.

BROWN-LIPE GEAR CO.

TO

KEMP & BURPEE MFG. CO.

THIS INDENTURE Made the 24th day of June, in the year one thousand nine hundred and seven Between Brown-Lipe Gear Company, a domestic corporation; whose principal place of business is in the City of Syracuse, County of Onondaga and State of New York, party of the first part, and Kemp & Burpee Manufacturing

Company, a domestic corporation whose principal place of business is in the City of Syracuse, County of Onondaga, and State of New York, party of the second part, Witnesseth, That the said party of the first part, in consideration of One Dollar (\$1.00) lawful money of the United States, and other good and valuable consideration paid by the party of the second part, does hereby grant and release unto the said party of the second part, its successors and assigns forever, All that certain Tract or Parcel of Land situate in the Tenth Ward of the City of Syracuse, in the County of Onondaga New York, and being part of Farm Lot No. 261 of the Onondaga Salt Springs Reservation (now in said City) bounded and described as follows: Beginning at a point in the west line of said Farm Lot No. 261, about 273 feet south from the south line of West Fayette Street, said point being the southwest corner of lands owned by the Kemp & Burpee Manufacturing Company; thence east along said south line 84 5/10 feet to a point 394 5/10 feet west from the west line of South Geddes Street; thence south at right angles to said Kemp & Burpee Company's south line 66 79/100 feet to a point in a line parallel with and 66 79/100 feet distant from the said south line of the said Kemp & Burpee Manufacturing Company's lands; thence west along said line parallel with said Kemp & Burpee Manufacturing Company's south line 88 63/100 feet to the west line of said farm lot No. 261; thence north along said Farm Lot line to the place of beginning. Together with the right of way for so long a time as the railroad switch built thereon shall be operated as such for ingress, egress and regress to said purchaser, its successors and assigns, and its servants and employees and any and all persons for its use and benefit, or advantage, with the right at all times during such period of time to pass and repass on foot, with engines and cars, and with vehicles of every description, over that additional strip of land sufficiently wide in connection with certain lands of the parties hereto adjoining to accommodate a single track, steam railroad switch, standard gauge, and which additional strip is located along the northerly line of lands conveyed by the Straight Line Engine Company to Charles E. Lipe by deed dated June 2, 1890 from the easterly line of lands hereinbefore conveyed to the westerly line of South Geddes Street in said City of Syracuse, N.Y., the right to the equal use of said right of way being expressly reserved to parties of the first part and to the heirs at law of said Charles E. Lipe and to their several executors, administrators, assigns, servants and employees; except that said Kemp & Burpee Manufacturing Company, its successors, assigns, agents, servants and employees, or either of them, shall not use that portion of said, right of way lying easterly of the east line (projected) of said Company's office building, for any purpose whatsoever, save as it may be necessary for the switching of cars. There is also expressly reserved from such conveyance of said land and right of way for the benefit of party of the first part, and the heirs at law of said Charles E. Lipe and their several successors, executors, administrators, assigns, servants and employees, the right to construct, operate and maintain through, under, in or about said lands, sewer, conduit and other pipe lines for sewer, gas, electricity or other purposes in connection with the present or future buildings erected or to be erected on the lands owned by said party of the first part and said Charles E. Lipe Estate, with full rights of ingress, egress and regress to them, their several successors, executors, administrators, assigns, servants and employees, on said lands in relation thereto, reasonable care being taken in the construction of such works and no permanent injury being done to any permanent erection on said lands. The permanent right of way for the operation of a railroad switch and for ingress egress and regress is granted to said purchaser, its successors, assigns, servants, employees and all persons for its use, to pass and repass on foot, with engines, cars and vehicles of every description through that portion of the power house constructed in part upon the property above deeded, which is owned and retained by the party of the first part, and which is a part of the same building used by party of the second part for its power house and located upon said land hereby conveyed, and which said switch shall be maintained and operated in said power house at the elevation and in the location now provided. This instrument shall also convey to party of the second part the permanent right to the use of a certain cement conduit running from the power house above referred to to the plant of the Brown-Lipe Gear Company, located on the corner of South Geddes and West Fayette Streets, for the purpose of securing city water through a

pipe now laid in said conduit, which pipe also extends through the first party's portion of said power plant, and the right and use thereof through said portion is also hereby permanently granted, and each party shall have the right of ingress, egress and regress for the purpose of repairing or replacing said pipe or one larger in diameter. It is also understood that this instrument shall convey to party of the second part the permanent use of that portion of land of party of the first part upon which the chimney erected for the use of the boilers in said plant stands, and reserves to the party of the first part an equal right to the permanent use of that portion of land hereby conveyed upon which said chimney stands, it being understood and agreed that both the parties hereto shall have the equal right to the use and occupation of the land upon which said chimney stands and to enter upon the premises of the other by its successors, assigns, servants or employees for the purpose of making any and all repairs that may be necessary or desirable to said chimney. This instrument is also intended to convey to party of the second part the permanent right to construct such pipe or pipes and receptacles as may be necessary to convey the shavings and sawdust from the plant of the party of the second part to the boilers belonging to the parties hereto and located in the power house constructed as above. This right shall include the privilege of constructing these pipes and maintaining these receptacles over said power house, on the roof thereof or in the same. This instrument is also intended to convey to the party of the second part, its successors, assigns, servants, and employees, the right of ingress, egress and regress to said building through a door provided in the northeast corner thereof, through that portion of the power plant owned by party of the first part, and to that portion hereby conveyed to second party, but nothing in this paragraph contained shall be deemed to permit of any boisterous, rowdyish or disorderly conduct on the part of those exercising such privilege. This instrument is also intended to convey to second party, its successors, assigns, servants and employees, the right to permanently maintain, repair and reconstruct a sewer from its present factory plant through the property of the party of the first part and its portion of said power house to the land hereby conveyed. It is hereby mutually agreed that in event that either of the parties hereto shall permit the roof, walls or chimney on its portion of the power house above referred to, to get out of repair, that the other party shall have the right at its own expense to enter upon said premises and make such repairs. The party of the first part reserves the permanent right to itself, its successors, assigns, servants and employees, of ingress, egress and regress through that portion of said power house belonging to said second party and over such bridge as may be constructed spanning the stream now known as Harbor Brook for the conveyance of ashes, material and machinery, and other purposes necessary to the operation of said power plant. And it is further mutually covenanted and agreed that neither of the respective parties hereto, or their respective successors, assigns, officers, agents or employees, shall take, or permit to be taken any action which shall cause the abandonment of, or interfere with or prevent the use and operation of said switch, except temporarily, for the purpose of making repairs or alterations thereon, in which case such repairs or alterations shall be done promptly and shall not be undertaken except on twenty-four hours notice thereof being given to the other party. Together with the appurtenances and all the estate and rights of the party of the first part in and to said premises. To have and To Hold the above granted premises unto the said party of the second part, its successors and assigns forever. And the said party of the first part does covenant with the said party of the second part as follows: First.- That the party of the second part shall quietly enjoy the said premises. Second.- That the said party of the first part will forever WARRANT the title to said premises. (Seal) In Witness Whereof, the said party of the first part has caused this instrument to be executed in its name, by its Vice President and its corporate seal to be hereunto affixed on the day and year first above written. Charles E. Lips estate adjoining the same to accommodate a single track, steam railroad switch, standard gauge, and which strip is located on Farm Lots 261 & 262 in the City of Syracuse, Onondaga County, N.Y., along the southerly line of lands now owned by the Kemp & Burpee Manufacturing Company in the rear of the present new wood shop building and adjoining a portion of the lands conveyed by the Straight Line engine Company to Charles E. Lips by deed dated June 2, 1890; also the right in or about said lands for said period of time to construct, operate and maintain sewer, conduit and other pipe lines for gas, electricity, or other purposes in connection with the present or future buildings erected or to be erected on the lands owned by the Brown-Lips Gear Company or the Charles E. Lips Estate, with full rights of ingress, egress and regress to them and their successors, assigns, servants and employees on said land in relation thereto reasonable care being used in the construction of such works and no permanent injury being done to any permanent constructions on said lands. The right of way hereby intended to be conveyed is to provide for a switch to be run from an extension of the present switch now operated by the D.L. & W. Railroad Company for the convenience of the parties hereto, along and on the line of division of the property of said parties and into a power plant erected by them jointly and located southerly from the present plant of the Kemp & Burpee Manufacturing Company. The party of the first part also grants to the party of the second part the right of ingress, egress and regress with engines and cars over the D.L. & W. Railroad branch connecting the yard of said road with the plant of the party of the first part, said branch being located between the power house above described and the factory buildings of party of the first part, for so long a time as said railroad branch may be operated. The above grant is made subject to the consent of the D.L. & W. R.R. Company and to all the conditions contained in the several agreements between said company and the party of the first part in reference to the use and operation thereof. It is mutually covenanted and agreed that neither of the parties hereto, their respective successors, assigns, officers, agents or employees, shall take or cause to be taken any action which shall cause the abandonment interfere with, or prevent the use or operation of said switch, except temporarily for the purpose of making repairs or alterations thereon, in which case such repairs or alterations shall be done promptly and shall not be undertaken except on 24 hours' notice thereof being given to the other party. The party of the first part also grants to the party of the second part a right of way through that part of the power house belonging to party of the first part for the conveyance of ashes, machinery and other materials necessary to the operation of its portion of said power plant to and from and over a bridge to be constructed from the west end of said power plant, over the stream now known as Harbor Brook across the land of the Kemp & Burpee Manufacturing Company to West Fayette Street, said right of way to be the one used by party of the first part for teams and wagons and to be subject to such change in location from time to time as the party of the first part may find convenient, said right of way to be subject however, to the operation of switches that now or at any future time may cross the land over which it passes: (LS) In Witness Whereof, the party of the first part has hereunto set its official seal the day and year first above written. with and sixty-six and seventy-nine hundredths (86.79) feet distant from the said south line of said Kemp & Burpee Mfg. Company's lands; thence west along said line parallel with said Kemp & Burpee Mfg. Company's south line eighty-eight and sixty-three hundredths (88.82) feet to the west line of said Farm Lot No. 261; thence north along said Farm lot line to the place of beginning. This deed is also intended to convey to the party of the second part all the rights and privileges conveyed to Kemp & Burpee Manufacturing Company by two certain contracts between said Kemp & Burpee Manufacturing Company and the Brown-Lipe Gear Company, both dated on the 24th day of June, 1907, and recorded in the Office of the Clerk of the County of Onondaga, on the 25th day of June, 1907 at 10:57 and 11:38 o'clock A. M. in Book 378 of Deeds at page 463, etc., and page 486 etc., respectively and is subject to all the conditions contained in said contracts which said contracts are hereby referred to and made a part of this agreement the same referring to the joint use by said Kemp & Burpee Manufacturing Company and Brown-Lipe Gear Company of the power house built by said Companies in common and of the switches, conduits, rights of way and other appurtenances thereto. This conveyance is also made subject to all agreements between the Kemp & Burpee Manufacturing Company, and the Delaware, Lackawanna & Western Railroad Company for the operation of switches on and across the lands herein conveyed. The above conveyance is made subject to an agreement made between the Kemp & Burpee Manufacturing Company and the City of Syracuse, permitting the construction, maintenance and repair of a certain intercepting sewer through a portion of the property above described which said agreement together with one of even date between the Syracuse Intercepting Sewer Board and Kemp & Burpee Manufacturing Company is hereby assigned and transferred to second party and assumed by said party of the second part. This conveyance is also made subject to a right of way granted the Central New York Telephone & Telegraph Company to place poles, conduits, etc., recorded November 19, 1906 in the Onondaga County Clerk's Office in Book 373 at page 451. This conveyance is also made subject to a mortgage given by Schuyler W. Vrooman and Fannie, his wife, to Ransford F. Mix on the 30th day of March, 1875, to secure the payment of the sum of Thirteen Hundred Dollars (\$1300.) and recorded in Onondaga County Clerk's Office on the 19th day of May, 1875 in Book 170 of Mortgages at page 265 etc., said mortgage having been heretofore assigned to Burton F. Peek of Moline, Illinois. Together with the appurtenances and all the estate and rights of the party of the first part in and to said premises: To Have and To Hold the above granted premises unto the said party of the second part, its successors and assigns forever, and the said Kemp & Burpee Company does covenant with the said party of the second part as follows: That the party of the second part shall quietly enjoy the said premises. That the said Kemp & Burpee Company will forever WARRANT the title to said premises. (IS) In Witness Whereof, the said party of the first part has hereunto caused its corporate seal to be affixed and its corporate name to be signed by its President the day and year first above written. S. C. SEC. 258a), and acts supplementary thereto and amendatory thereof, and under the further authority of the Act of Congress approved August 18, 1890 (26 Stat. 316), as amended by the Acts of Congress approved July 2, 1917 (40 Stat. 241), and April 11, 1918 (40 Stat. 518, 50 U.S.C. Sec. 171), which acts authorize the acquisition of land for military purposes, and the Act of Congress approved December 17, 1941 (Public Law 353- 77th Congress), which act appropriated funds for such purposes; and the petitioner by RALPH L. EMMONS, UNITED STATES ATTORNEY, having moved the Court to enter judgment herein that title in the United States of America vested in the lands and easements in the lands described in said Declaration of Taking filed. And the Court on consideration of said motion, and the petition and Declaration of Taking and receipt of the Clerk of the Court for the deposit made by petitioner with said Declaration of Taking, finds as follows: FIRST: That the United States of

America is entitled to acquire the interests and easements in property by eminent domain for necessary public purposes and uses of the United States, as set out and prayed in said amended petition; SECOND: That a petition and amended petition in condemnation were filed at the request of the Secretary of War of the United States of America, the authority empowered by law to acquire the land and interests and easements described in said petitions and also under authority of the Attorney General of the United States. THIRD: That in said Petition and Declaration of Taking, a statement of authority under which and the public use for which said interests and easements in land were taken, was set out both in the Declaration of Taking and in the amended Petition in Condemnation, and that the said Secretary of War is the person duly authorized and empowered by law to acquire land, and interests therein, such as are described in the Petition and Amended Petition, and for necessary public purposes and uses of the United States of America, and that the Attorney General of the United States is the person authorized by law to direct the institution of such condemnation proceeding; FOURTH: That a proper description of the land and interests therein sought to be taken, sufficient for the identification thereof, is set out in the said Declaration of Taking. FIFTH: A statement of the estate or interest in said land, taken for said public use, was set out therein; SIXTH: A plan showing the land in which said interests were taken was set out therein; SEVENTH: A statement is contained in said Declaration of Taking of a sum of money, estimated by said acquiring authority to be just compensation for the land taken, in the amount of ONE HUNDRED AND SIXTY FIVE THOUSAND DOLLARS, (\$165,000.00), and that said sum was deposited in the Registry of this Court for the use of the persons entitled thereto, upon and at the time of the filing of said Declaration of Taking. EIGHTH: A statement in said Declaration of Taking that the ultimate award of damages for the taking of said land, in the opinion of the Secretary of War, will be within the limits prescribed by Congress to be paid as a price therefor; And the Court, having fully considered said condemnation petition, amended petition, and declaration of taking, and the Statutes in such cases made and provided, is of the opinion that the United States of America is entitled to take said property and/or interests therein and have the title thereto vested in it to the extent set forth, it is, therefore ORDERED, ADJUDGED and DECREED that the title to said interests and easements to the extent described, viz: the full fee simple title to Tract #1, Schedule "A", together with all appurtenances pertaining to said tract, subject however, to existing easements for public roads and highways, for railroads, for pipe lines, for public utilities, for water mains, for intercepting sewers, and for storm sewers, and also subject to outstanding riparian rights in and to Harbor Brook, and further excepting and excluding all railroad rails, tracks and plates belonging to the Delaware, Lackawanna and Western Railroad Company; and perpetual easement for joint use, operation, maintenance, patrol and repair of an electric conduit or duct and cables there-
water main or pipe in, over, upon and across Tract No. 1-E, Schedule "A", with the privilege

and right of installing additional cables and additional water mains or pipes.

DEFENDANTS.

AMENDED PETITION IN CONDEMNATION

The petition of the UNITED STATES of America, a sovereign, brought by RALPH L. EMMONS, UNITED STATES ATTORNEY for the NORTHERN DISTRICT OF NEW YORK, acting under the instructions of the Attorney General of the United States of America and at the request of the Secretary of War complains and alleges: 1. That this is a suit of a civil nature, brought by the above-named petitioner under the authority of and pursuant to the provisions of an Act of Congress approved February 26, 1931 (46 Stat. 1421, 40 U.S.C. sec. 258a), and acts supplementary thereto and amendatory thereof, and under the further authority of the Acts of Congress approved August 1, 1858 (25 Stat. 357), August 18, 1890 (26 Stat. 316), as amended by the Acts of Congress approved July 2, 1917 (40 Stat. 241), April 11, 1918 (40 Stat. 513; 50 U.S.C. Sec. 171), and March 27, 1942 (Public Law 507 - 77th Congress), which acts authorize the acquisition of land for military or other purposes, and the Act of Congress approved March 5, 1942 (Public Law 474 - 77th Congress), which Act appropriated funds for such purposes. 2. That in accordance with said acts, and in particular 50 USCA Sec. 171, the Secretary of War of the United States has found that certain land and appurtenances and easements in land, more particularly described herein, are necessary and advantageous in the interest of the United States adequately to provide for the manufacture of war supplies and materials for the Ordnance Department, and other uses incident thereto, and for such other uses as may be authorized by Congress or by Executive Order and are required for immediate use and necessary for the successful prosecution of the War. 3. That pursuant to this finding the Secretary of War has selected for acquisition by the United States of America the land hereinafter described, designated as Tract #1, Schedule "A", in fee simple absolute; and perpetual easements in lands designated as Tract 1-E, Schedule "A", which are suitable and necessary for the purposes of the United States and that said selection and designation and determination have been made and are now in full force and effect. 4. That there are sufficient funds now available with which the petitioner can and is authorized to pay just compensation for the land, and/or interest in land as sought to be taken and condemned herein, in whatever sum may ultimately be awarded and adjudged in this proceeding as just compensation, together with damages, if any, incident to the taking and condemnation. 5. That the purposes for which the petitioner is taking said land and the appurtenances thereto, and/or interests therein, are necessary and constitute a public use, and the use to which said property and easements in property are to be applied is a use authorized by law, and that the acquisition thereof by the petitioner is and will be of the greatest public benefit and it is vital to the successful prosecution of the war that this project be expedited with the utmost haste and that the United States be given the immediate right to the possession and use of the said land, and/or easements. 6. "That the estate or interest in or to said land hereinafter described which the petitioner intends and seeks to take, acquire, condemn, hold, and own by this proceeding is full fee simple title, free and clear of all liens, encumbrances, charges, claims, restrictions and covenants whatsoever, subject, however to existing easements for public roads and highways, for railroads, for pipe lines, for public utilities, for water mains, for intercepting sewers, and for storm sewers, and also subject to outstanding riparian rights in and to Harbor Brook, and further excepting and excluding all railroad rails, spikes and plates belonging to the Delaware, Lackawanna and Western Railroad Company; in the land described as Tract 1 in Schedule "A" hereof; and a perpetual easement for the use, operation, maintenance, patrol and repair of an electric conduit or duct and cables

therein, and of a water main or pipe in, over, upon and across Tract 1-E as described in Schedule "A", with the privilege and right of installing additional cables and additional water mains or pipes.

SCHEDULE "A"

TRACT #1 - Land taken in fee.

ALL THAT TRACT OR PARCEL OF LAND situate in the City of SYRACUSE, County of Onondaga, and State of New York, bounded and described as follows: Beginning at a point in the southerly limits of West Fayette Street, so-called, said point being westerly along said southerly limits 253.49 feet from where the same intersects the westerly limits of South Geddes Street, so-called; thence South 0 degrees 31 minutes East 174.79 feet to an iron pipe, said point being South 84 degrees 22 minutes West 242.50 feet from the westerly limits of said South Geddes Street; thence South 84 degrees 22 minutes West 92.80 feet to an iron pipe; thence South 5 degrees 38 minutes East 70.00 feet; thence South 83 degrees 54 minutes 12 seconds West 146.48 feet; thence North 6 degrees 10 minutes 06 seconds West 10.12 feet; thence South 88 degrees 18 minutes 30 seconds West 104.05 feet to a concrete monument; thence North 27 degrees 30 minutes 30 seconds West 453.20 feet to an iron rail, said iron rail being in the southerly limits of West Fayette Street and also being South 75 degrees 35 minutes East 318.70 feet from a monument at the intersection of the southerly limits of said West Fayette Street and the easterly limits of Magnolia Street; thence South 75 degrees 35 minutes East and following the southerly limits of said West Fayette Street 561.66 feet to the point of beginning. Containing 3.00 acres of land be the same more or less. BEING part of the lands conveyed by KEMO BURPEE MANUFACTURING COMPANY to BROWN LIPE-GEAR CORPORATION by deed dated July 1, 1916 and recorded August 10, 1916 in Book 453 of Deeds at page 417 in the Onondaga County Clerk's Office.

TRACT #1-E - LAND in which perpetual easements are taken.

ALL THAT TRACT OR PARCEL OF LAND situate in the City of SYRACUSE, County of Onondaga and State of New York, more particularly described as follows: BEGINNING at a point in the westerly limits of South Geddes Street, so-called, said point being S. 1 degree 47 minutes W. 87.90 feet from where the same intersects the southerly limits of West Fayette Street, so-called; thence S. 1 degree 47 minutes W. by the westerly limits of said South Geddes Street 10.00 feet; thence S. 86 degrees 43 minutes W. 241.41 feet to an iron pipe; thence N. 0 degrees 31 minutes W. 10.04 feet; thence N. 81 degrees 49 minutes E. 122.73 feet; thence S. 88 degrees 13 minutes E. 120.00 feet to the point of beginning. CONTAINING 0.08 acres of land, be the same more or less. BEING the land and easements described in the letters of the Secretary of War dated June 10, 1942, and March 29, 1943, and designated on map called Schedule "B" and separately filed herein. 7. That the petitioner is informed and believes and, therefore, alleges that the following individuals have or may have or claim to have some interest in the land; The BROWN LIPE GEAR CORPORATION, Buffalo, New York. The DELAWARE, LACKAWANNA & WESTERN RAILROAD CO., 140 Cedar Street, New York City. The LIPE-ROLLWAY CORPORATION, Syracuse, New York. 8. That your petitioner shows that it has attempted to set forth the interest or estates of all persons and corporations in the lands herein mentioned as far as the petitioner has been able to ascertain the same, but notwithstanding such statement, all persons or corporations owning, in possession, or having any legal right or interest therein, are made parties to this proceeding generally to the end that all their rights, title, interest and estate, whatever it may be, to all and singular, the premises above mentioned may be reached and vested out of them and vested in your petitioner. 9. That the value of said property to be condemned is to be determined in accordance with law. 10. That it is the intention of your petitioner, in good faith, to complete the work or improvement for which said property is condemned and that all the preliminary steps required by law have been taken to entitle your petitioner to institute these proceedings. 11. That, upon information and belief, none of the owners of the real property sought to be condemned herein is an infant, idiot, lunatic or habitual drunkard, other than specified. WHEREFORE, the premises considered and to the end that all and singular the lands and interests in lands described in this petition and sought to be taken may be

acquired by the United States of America by condemnation in accordance with the several statutes and Acts of Congress in such cases made and provided, petitioner prays this Honorable Court: 1. To make an order granting the petitioner the immediate possession, occupancy and use of the said lands described and all separate parts and parcels thereof for military purposes, as provided in Section 171, Title 50, U. S. C., said application being made in time of War, and provide for the manner of service thereof. 2. To cite and give notice to the owners and other persons interested in the lands described in this petition as provided by law, to appear in this Court at a time to be fixed to answer this petition; 3. To appoint if deemed necessary and expedient three qualified, competent and disinterested freeholders to appraise the value of said property in accordance with the law and statutes in such cases made and provided and make assessment and award of damages for each parcel hereinabove described and/or the specified interest therein which should be paid by the petitioner as just compensation for the taking thereof, and to fix a time and place of their first meeting. 4. To take such action and pass such orders, decrees and judgments as may be necessary or proper fully to effect the objects for which the aforesaid Acts of Congress were passed and to cause the lands described in this petition to be condemned and taken by the United States of America, the absolute and unqualified title in fee simple therein, subject, however, to existing easements for public roads and public utilities, for railroads and for pipe lines, over, across and through said lands, described in Schedule "A", Tract #1, and the perpetual easements in the lands described in Schedule "A"; Tract #1 -E, as hereinbefore set forth but free from all liens, taxes, assessments, encumbrances, charges, servitudes, restrictions and covenants whatsoever, to vest in the United States of America; 5. To determine and make proper distribution and payment of said award to and among the interested parties entitled thereto; 6. That said petition be deemed without prejudice to the acquirement by petitioner of the title to said lands or any designated parts or parcels thereof, or easements therein, by purchase, donation or otherwise, and severance thereof from this action; or to entry of separate decrees as to designated parts or parcels of said lands. 7. To grant such other and further relief as the nature of the case may require. UNITED STATES OF AMERICA. BY- RALPH L. EMMONS, UNITED STATES ATTORNEY in and for the Northern District of New York, Office and Post Office Address: Federal Building, Binghamton, New York. NORTHERN DISTRICT OF NEW YORK, STATE OF NEW YORK, COUNTY OF ONONDAGA, SS.: B. F. TOMPKINS, being duly sworn, deposes and says that he has read the foregoing Petition in Condemnation and knows the contents thereof; that the same is true to the knowledge of deponent except as to the matters stated to be alleged upon information and belief, and as to those matters he believes it to be true. That the reason this affidavit is made by deponent and not by the plaintiff is that the plaintiff is a corporation sovereign and acts through its officers and agents, and that deponent is such officer, to wit: The Assistant United States Attorney in and for the Northern District of New York. That the sources of deponent's knowledge and the grounds of his belief as to matters alleged upon information and belief are communications of the proper officers and agents of the Government in the hands of deponent. This Agreement.

Made the 27th day of February in the year One Thousand Nine Hundred and Fifty-four.

Between ESTELLE B. SPINNEY, of North Cove, Saybrook Connecticut,

CITY

of the first part, and

B. H. SPINNEY CO., INC., a corporation duly established under the laws of the State of New York and having a usual place of business in Syracuse, County of Onondaga and State of New York, at 1115-1129 West Fayette Street,

of the second part,

Witnesseth, That the said party of the first part hath agreed to let, and hereby doth let, and the said party of the second part hath agreed to take, and hereby doth take, ~~the premises situated at 1115-1129 West Fayette Street, Syracuse, New York, consisting of approximately 32,000 square feet, meaning and intending to lease all the buildings B. H. Spinney Co. Inc. now occupies as a tenant at will.~~ the premises known and designated as number 1115-1129 West Fayette Street, Syracuse, New York, consisting of approximately 32,000 square feet, meaning and intending to lease all the buildings B. H. Spinney Co. Inc. now occupies as a tenant at will.

for the term of ten (10) years - - - - - to commence on the first day of March 1954, and to end on the 28th day of February 1964, at eight o'clock in the forenoon. The said party of the second part agrees to pay to the said party of the first part the total - - - - - rent of One Hundred Twenty Thousand (\$120,000.) Dollars ~~xxx~~ ~~payable~~.

to be paid by the Lessee in equal monthly installments of One Thousand (\$1,000.) Dollars each, in advance on the first day of each and every month of the said term.

And it is expressly Agreed, That if default be made in the payment of the rent, or any part thereof, or if the said party of the second part shall, without the written consent of the party of the first part, let, sell, underlet or assign over, the said premises, or any part thereof, for the whole or any part of said term, or shall use said premises or any part thereof, for any other purpose than incidental to and in connection with and in furtherance of the business now carried on and to be carried on by the Lessee herein; said written consent of the party of the first part shall not be unreasonably withheld;

or shall violate any other covenant or agreement contained in this lease, then, in either case, the said party of the first part shall have the right at her election, to terminate this lease, on first giving to the said party of the second part sixty (60) days' notice of such election, to be served personally or by posting a notice in some conspicuous place in or about the premises hereby let, or if absent from the premises to be left at its last and usual place of business; and the above mentioned term shall thereupon cease at the expiration of the said sixty (60) days, in the same manner and to the same effect, as if that were the expiration of the original term of this lease. It being further agreed that such election shall be in the discretion of the said party of the first part, and when exercised, shall be conclusive upon the party of the second part; and in case the party of the second part shall violate the covenant not to underlet or assign, or to use the premises only for the purpose aforesaid, then the party of the first part, in addition to terminating the lease as heretofore provided, may also recover as damages for the violation of said covenants, or either of them, a sum equal to the amount of six months rent of the premises as herein reserved, as stipulated and liquidated damages, and not as a penalty. And the said party of the second part further agrees to keep the said premises, and every part thereof, in good repair during the said term, and leave the same in as good condition as when taken, reasonable use and wear thereof excepted.

And it is further Agreed, That the said party of the first part, in person or by agent, shall be permitted to enter the said premises at all reasonable times of the day to examine the same, or to make such repairs therein as shall, by the said party of the first part, be thought requisite; and the said party of the first part may put in or about said premises such notices, "For Sale," or "To Let," as she shall deem proper, and may enter upon and pass through and over said premises for the purpose of showing the same to persons wishing to purchase or lease the same. And also, that if the said premises shall at any time become vacant during the said term in consequence of the removal of the said party of the second part, for non-payment of rent, by legal process, or any other cause, the said party of the first part shall and may re-enter the same, and use such force for that purpose as the said party of the first part shall think fit, without being liable to any prosecution therefor, and may thereupon treat the said lease as terminated, and re-let the said premises for his own use; or said party of the first part may re-let said premises as the agent of said party of the second part, applying the avails thereof, first, to the expenses that may accrue in re-entering, and then to the payment of the rent due by these presents, and the balance to pay over to the party of the second part; or may hold the party of the second part for any balance remaining due after so applying the proceeds,

It is further Agreed, That if the said premises shall be destroyed by fire, or so much damaged as to render them untenable, without the fault of the party of the second part, either party may, within thirty days thereafter, elect to terminate this lease, and the term hereby granted, by giving the other party written notice of the same, to be served personally, or if absent from ^{Syracuse, New York} ~~its usual place of business~~ to be left at her last place of residence, and ~~thereupon the rent is cease upon the party of the second part~~ paying the rent that has accrued; but said term to cease or be surrendered by the said party of the second part, or said rent to cease from no other cause, without consent of the party of the first part.

And the said party of the second part further agrees to use all reasonable precaution to prevent waste, and to prevent said premises from being destroyed or injured by fire or otherwise; and agrees not to throw or deposit any dirt or other objectionable matter in the areas in or about said premises, either in front or in rear, it being understood that the premises hereby leased are to be kept in cleanly and healthful condition.

And the said party of the second part further agrees that it will not, during the continuance of this lease, keep or suffer to be kept on said premises any ashes in wooden vessels of any kind; that it will not create or suffer to be created, any nuisance on or about the same; and that it will cause the sidewalk and street in front thereof to be duly cleaned, as may be required by any City Ordinance or regulation, and be responsible to the said party of the first part for any loss or damage to which he shall be put by reason of any default therein.

And the said party of the second part shall take special care that no damage happens to the building, or any fixtures therein in the use of water or gas, and they shall be liable for all damage occasioned by themselves, their agents or servants, in the commission or omission of any acts causing such damage; and to observe and keep all the rules and regulations of the gas and water companies supplying such premises with gas and water, and promptly pay their bills.

The Lessee covenants and agrees with the Lessor that during the term of this lease, or any extension thereof, the Lessee:

1. Will, at the Lessee's expense, make all repairs, replacements, improvements, alterations and additions of every name and nature which may become necessary or which the Lessee shall elect to do.
2. Will keep all and singular the lease premises, including plumbing, heating, gas and light and all other fixtures in such repair, order and condition as the same are in at the commencement of said term or may be put in during the continuance thereof, reasonable use and wear thereof, damage, fire and unavoidable casualty only excepted.
3. Will keep all glass now on the premises whole or in good condition and will replace with glass of same quality any that may be broken or damaged.

ABSTRACT CERTIFICATE

STEWART TITLE INSURANCE COMPANY, a New York Corporation, for good consideration paid, CERTIFIES AND GUARANTEES (pursuant to New York Insurance Law section 6403(b)(1)) to the current record owner(s) of an interest in or specific lien upon the **premises described at Set-Outs 8** immediately preceding this Certificate (the "Subject Premises") and their successors in interest of record that:

1. It has searched the Collector's Bonds (3 years), Deeds, Federal Tax Liens (10 years), Financing Statements (up to 5 years), Judgments (10 years), Leases, Liens in favor of the USA obtained pursuant to Titles 18 and 28 of the US Code (20 years), Mechanics Liens (1 year), Mortgages (including Loan Commissioners), Notices of Pendency, Sheriff's Certificates of Sale, Surety Bonds, and Welfare Liens indices maintained in the County Clerk's Office and the Surrogate indices maintained in the Surrogate's Court, for the county in which the Subject Premises is located, against the names of the parties appearing in the Abstract as owning or having an interest in the Subject Premises during the record periods of such ownership from and including the date **12-23-1945** to the date of this Certificate.
2. It has searched the Inactive Hazardous Waste Disposal Site Registry Index maintained in the County Clerk's Office for the County in which the Subject Premises is located against the tax map parcel number or the section, block and lot number of the Subject Premises.
3. It found the matters set forth in the Abstract at **Set-Outs 1 through 17**; said matters are correctly set forth therein, and there is nothing more in those indices which appears to affect the Subject Premises, or any part thereof.
4. This search does not set forth mortgages, judgments, liens, notices of pendency or encumbrances recorded or filed prior to or during the period of this search for which cancellations, discharges or satisfactions have been recorded or filed.
5. If any covenant or restriction referenced or appearing in this search violates any provision of the Federal Fair Housing Act (42 U.S.C. § 3601 et seq.), as amended, it is set forth herein solely in the interest of complete and accurate reporting.
6. This Abstract certificate is made by a title insurance company authorized to do business in the State of New York, which company maintains statutory loss reserves for abstracts; or is made by an abstract company which maintains errors and omissions insurance coverage of at least \$1,000,000.00. The Guaranty under this Certificate shall not be limited by time.
7. This Certificate meets minimum recommended standards of the Onondaga County Bar Association in effect as of the date of this certificate.
8. And that upon examination for ten years last past of the Judgment Indices in the County Clerk's Office, there are no Judgments or Transcripts of Judgment or New York State Tax Warrants docketed in the County Clerk's Office, against the named persons at **Set-Out 17** for the periods set opposite their respective names, except as shown.

IN WITNESS WHEREOF, STEWART TITLE INSURANCE COMPANY has caused this Certificate to be signed by its Authorized Officer this **3rd day of November, 2021** at **8:00** o'clock **A.M.**
