RE: **October through December 2015 Quarterly Progress Report**
Index # B8-0735-07-01
DuPont Rochester Driving Park Site (#C828142)

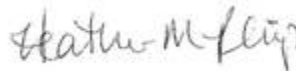

Dear Mr. Caffoe:

On behalf of DuPont's Corporate Remediation Group (CRG), Parsons is pleased to provide this quarterly progress report summarizing project activities for October through December 2015 pursuant to the requirements of the Brownfield Site Cleanup Agreement for the 666 Driving Park Site located in the City of Rochester, NY.

Site inspections, as requested by New York State Department of Environmental Conservation (NYSDEC), began on June 2, 2008 and continue to be conducted weekly on behalf of DuPont to assess site conditions and maintain the site as needed. Reports from the 13 weekly inspections completed during October, November and December 2015 are attached. There are currently no issues or action items to report during this quarter.

Contact me at (315) 552-9721 or Jacob Larsen of DuPont at (302) 999-3866 with any questions.

Sincerely,

PARSONS

Heather Philip.
Project Manager
