**Subject: Former Bernzomatic Facility (#C837018)
Village of Medina, Towns of Shelby and Ridgeway, Orleans County
Revised Soil Vapor Intrusion Evaluation Work Plan, January 2019**

Dear Ms. Jones:

The New York State Departments of Environmental Conservation (NYSDEC) and Health (NYSDOH; collectively referred to as the Departments) have completed their review of the *Revised* Soil Vapor Intrusion (SVI) Evaluation Work Plan (Work Plan) submitted January 9, 2019 for the Bernzomatic site. In accordance with 6 NYCRR Part 375-1.6, the Departments' have determined that the Work Plan substantially addresses the requirements of the Brownfield Cleanup Program. As such, the SVI Work Plan is hereby approved.

Please follow the Health and Safety Plan provided in the Remedial Investigation Work Plan, dated October 2016.

Based on the schedule indicated in the Work Plan, sampling is scheduled to begin within two weeks. Please notify the Departments at least 7 days prior to any field work at the site.

In addition, please provide copies of the Work Plan, as follows, prior to the start of SVI activities:

- Danielle Miles, NYSDEC, Avon (hard copy); and
- Angela Martin, NYSDOH, Albany (CD).

If you have any questions or concerns, please contact me at (585) 226-5349 or danielle.miles@dec.ny.gov.

Sincerely,

Danielle Miles, EIT
Environmental Engineer
