TO: See Distribution List Below  
FROM: Kelly Lewandowski, NYSDEC - DER Bureau of Technical Support  
SUBJECT: Brownfield Cleanup Program Application  
Standard Portable Site, C907030  
Municipality of Mayville, Chautauqua County

DATE: JUL 31 2006

The attached Brownfield Cleanup Program Application for remedial work at the subject site has been forwarded to you for review according to the established Brownfield Cleanup Program procedures. Please note the important dates below for timely eligibility determination.

- This BCP application was deemed complete by Site Control on July 28, 2006.
- A work plan was not included with the application and public comments will be received from August 10, 2006 thru September 8, 2006.
- Linda Ross, the project manager, shall prepare a draft BCP Eligibility Memo (note: this is generated from the UIS: BCP Eligibility memo) and submit the draft memo through Martin Doster to the project Bureau Director no later than noon on **August 9, 2006**.
- The project Bureau Director shall provide the remedial Bureau Directors with a copy of the draft BCP Eligibility Memo by the close of business **August 11, 2006**.

For additional assistance using the electronic document file system, please contact Sue Wither at (518) 402-9553.

PLEASE NOTE: DER staff will no longer receive electronic copies (cd's) of the BCP application and therefore must access eDocs to obtain the information they need.

The Time and Activity Code for the subject site is: 61976 (on-site) and 61976 (off-site).
