ENVIRONMENTAL EASEMENT GRANTED PURSUANT TO ARTICLE 71, TITLE 36 OF THE NEW YORK STATE ENVIRONMENTAL CONSERVATION LAW

THIS INDENTURE made this <u>Job</u> day of <u>December</u>, 2012, between Owner(s) Niagara Ceramics Corporation, having an office at 75 Hayes Place, County of Erie, State of New York (the "Grantor"), and The People of the State of New York (the "Grantee"), acting through their Commissioner of the Department of Environmental Conservation (the "Commissioner," or "NYSDEC" or "Department" as the context requires) with its headquarters located at 625 Broadway, Albany, New York 12233,

WHEREAS, the Legislature of the State of New York has declared that it is in the public interest to encourage the remediation of abandoned and likely contaminated properties ("sites") that threaten the health and vitality of the communities they burden while at the same time ensuring the protection of public health and the environment; and

WHEREAS, the Legislature of the State of New York has declared that it is in the public interest to establish within the Department a statutory environmental remediation program that includes the use of Environmental Easements as an enforceable means of ensuring the performance of operation, maintenance, and/or monitoring requirements and the restriction of future uses of the land, when an environmental remediation project leaves residual contamination at levels that have been determined to be safe for a specific use, but not all uses, or which includes engineered structures that must be maintained or protected against damage to perform properly and be effective, or which requires groundwater use or soil management restrictions; and

WHEREAS, the Legislature of the State of New York has declared that Environmental Easement shall mean an interest in real property, created under and subject to the provisions of Article 71, Title 36 of the New York State Environmental Conservation Law ("ECL") which contains a use restriction and/or a prohibition on the use of land in a manner inconsistent with engineering controls which are intended to ensure the long term effectiveness of a site remedial program or eliminate potential exposure pathways to hazardous waste or petroleum; and

WHEREAS, Grantor, is the owner of real property located at 51 Hayes Place, 55 Hayes Place, 75 Hayes Place, 133 Harrison Street, 151 Harrison Street, and 70 Lester Street in the City of Buffalo, County of Erie and State of New York, known and designated on the tax map of the County Clerk of Erie as tax map parcel numbers: 123.09-4-2, 123.09-4-16.2, 123.09-4-17, 123.38-2-39, 123.38-3-1, and 123.38-2-1.1, being the same as that property conveyed to Grantor by the following deeds: (i) deed made by Buffalo China, Inc. to Grantor dated March 12, 2004 and recorded March 16, 2004 in the Erie County Clerk's Office in Liber 11070 of Deeds at page 6585; (ii) deed made by Oneida Food Service, Inc. to Grantor dated March 12, 2004 and recorded March 16, 2004 in the Erie County Clerk's Office in Liber 11070 of Deeds at page 6613; and (iii) deed made by Buffalo China, Inc. to Grantor dated March 12, 2004 and recorded March 16, 2004 in the Erie County Clerk's Office in Liber 11070 of Deeds at page 6624, comprising of approximately 9.73 ± acres, and hereinafter more fully described in the Land Title Survey dated September 20, 2012, and revised on October 17, 2012, November 6, 2012, November 23, 2012, and November 26, 2012, prepared by Lawrence J. Zygaj, PLS, PC, which will be attached to the Site Management Plan. The property description (the "Controlled Property") is set forth in and attached hereto as Schedule A; and

WHEREAS, the Department accepts this Environmental Easement in order to ensure the protection of human health and the environment and to achieve the requirements for remediation

established for the Controlled Property until such time as this Environmental Easement is extinguished pursuant to ECL Article 71, Title 36; and

NOW THEREFORE, in consideration of the mutual covenants contained herein and the terms and conditions of Brownfield Site Cleanup Agreement Number: B9-0732-06-11, Grantor conveys to Grantee a permanent Environmental Easement pursuant to ECL Article 71, Title 36 in, on, over, under, and upon the Controlled Property as more fully described herein ("Environmental Easement")

1. <u>Purposes</u>. Grantor and Grantee acknowledge that the Purposes of this Environmental Easement are: to convey to Grantee real property rights and interests that will run with the land in perpetuity in order to provide an effective and enforceable means of encouraging the reuse and redevelopment of this Controlled Property at a level that has been determined to be safe for a specific use while ensuring the performance of operation, maintenance, and/or monitoring requirements; and to ensure the restriction of future uses of the land that are inconsistent with the above-stated purpose.

2. <u>Institutional and Engineering Controls</u>. The controls and requirements listed in the Department approved Site Management Plan ("SMP") including any and all Department approved amendments to the SMP are incorporated into and made part of this Environmental Easement. These controls and requirements apply to the use of the Controlled Property, run with the land, are binding on the Grantor and the Grantor's successors and assigns, and are enforceable in law or equity against any owner of the Controlled Property, any lessees and any person using the Controlled Property.

A. (1) The Controlled Property may be used for:

Industrial as described in 6 N.Y.C.R.R. Part 375-1.8(g)(2)(iv)

- All Engineering Controls must be operated and maintained as specified in the Site Management Plan (SMP);
- (3) All Engineering Controls must be inspected at a frequency and in a manner defined in the SMP;
- (4) The use of groundwater underlying the property is prohibited without treatment to render it safe for use as drinking water or for industrial purposes, and the user must first notify and obtain written approval to do so from the Department and the Erie County Department of Health;
- (5) Groundwater and other environmental or public health monitoring must be performed as defined in the SMP;
- (6) Data and information pertinent to Site Management of the Controlled Property must be reported at the frequency and in a manner defined in the SMP;
- (7) All future activities on the property that will disturb remaining contaminated material must be conducted in accordance with the SMP;

- (8) Monitoring to assess the performance and effectiveness of the remedy must be performed as defined in the SMP;
- (9) Operation, maintenance, monitoring, inspection, and reporting of any mechanical or physical components of the remedy shall be performed as defined in the SMP; and
- (10) Access to the site must be provided to agents, employees or other representatives of the State of New York with reasonable prior notice to the property owner to assure compliance with the restrictions identified by this Environmental Easement.

B. The Controlled Property shall not be used for Residential, Restricted Residential, or Commercial purposes, and the above-stated engineering controls may not be discontinued without an amendment or extinguishment of this Environmental Easement.

C. The SMP describes obligations that the Grantor assumes on behalf of Grantor, its successors and assigns. The Grantor's assumption of the obligations contained in the SMP which may include sampling, monitoring, and/or operating a treatment system, and providing certified reports to the NYSDEC, is and remains a fundamental element of the Department's determination that the Controlled Property is safe for a specific use, but not all uses. The SMP may be modified in accordance with the Department's statutory and regulatory authority. The Grantor and all successors and assigns, assume the burden of complying with the SMP and obtaining an up-to-date version of the SMP from:

Site Control Section Division of Environmental Remediation NYSDEC 625 Broadway Albany, New York 12233 Phone: (518) 402-9553

D. Grantor must provide all persons who acquire any interest in the Controlled Property a true and complete copy of the SMP that the Department approves for the Controlled Property and all Department-approved amendments to that SMP.

E. Grantor covenants and agrees that until such time as the Environmental Easement is extinguished in accordance with the requirements of ECL Article 71, Title 36 of the ECL, the property deed and all subsequent instruments of conveyance relating to the Controlled Property shall state in at least fifteen-point bold-faced type:

This property is subject to an Environmental Easement held by the New York State Department of Environmental Conservation pursuant to Title 36 of Article 71 of the Environmental Conservation Law.

F. Grantor covenants and agrees that this Environmental Easement shall be incorporated in full or by reference in any leases, licenses, or other instruments granting a right to use the Controlled Property.

G. Grantor covenants and agrees that it shall annually, or such time as NYSDEC may allow, submit to NYSDEC a written statement by an expert the NYSDEC may find acceptable certifying under penalty of perjury, in such form and manner as the Department may require, that:

- the inspection of the site to confirm the effectiveness of the institutional and engineering controls required by the remedial program was performed under the direction of the individual set forth at 6 NYCRR Part 375-1.8(h)(3);
- (2) the institutional controls and/or engineering controls employed at such site:
 - (i) are in-place;
 - (ii) are unchanged from the previous certification, or that any identified changes to the controls employed were approved by the NYSDEC and that all controls are in the Department-approved format; and
 - (iii) that nothing has occurred that would impair the ability of such control to protect the public health and environment;
- (3) the owner will continue to allow access to such real property to evaluate the continued maintenance of such controls;
- (4) nothing has occurred that would constitute a violation or failure to comply with any site management plan for such controls;
- (5) the report and all attachments were prepared under the direction of, and reviewed by, the party making the certification;
- (6) to the best of his/her knowledge and belief, the work and conclusions described in this certification are in accordance with the requirements of the site remedial program, and generally accepted engineering practices; and
- (7) the information presented is accurate and complete.

3. <u>Right to Enter and Inspect.</u> Grantee, its agents, employees, or other representatives of the State may enter and inspect the Controlled Property in a reasonable manner and at reasonable times to assure compliance with the above-stated restrictions.

4. <u>Reserved Grantor's Rights</u>. Grantor reserves for itself, its assigns, representatives, and successors in interest with respect to the Property, all rights as fee owner of the Property, including:

A. Use of the Controlled Property for all purposes not inconsistent with, or limited by the terms of this Environmental Easement; and

B. The right to give, sell, assign, or otherwise transfer part or all of the underlying fee interest to the Controlled Property, subject and subordinate to this Environmental Easement.

5. <u>Enforcement</u>

A. This Environmental Easement is enforceable in law or equity in perpetuity by Grantor, Grantee, or any affected local government, as defined in ECL Section 71-3603, against the owner of the Property, any lessees, and any person using the land. Enforcement shall not be defeated because of any subsequent adverse possession, laches, estoppel, or waiver. It is not a defense in any action to enforce this Environmental Easement that: it is not appurtenant to an interest in real property; it is not of a character that has been recognized traditionally at common law; it imposes a negative burden; it imposes affirmative obligations upon the owner of any interest in the burdened property; the benefit does not touch or concern real property; there is no privity of estate or of contract; or it imposes an unreasonable restraint on alienation.

B. If any person violates this Environmental Easement, the Grantee may revoke the Certificate of Completion with respect to the Controlled Property.

C. Grantee shall notify Grantor of a breach or suspected breach of any of the terms of this Environmental Easement. Such notice shall set forth how Grantor can cure such breach or suspected breach and give Grantor a reasonable amount of time from the date of receipt of notice in which to cure. At the expiration of such period of time to cure, or any extensions granted by Grantee, the Grantee shall notify Grantor of any failure to adequately cure the breach or suspected breach, and Grantee may take any other appropriate action reasonably necessary to remedy any breach of this Environmental Easement, including the commencement of any proceedings in accordance with applicable law.

D. The failure of Grantee to enforce any of the terms contained herein shall not be deemed a waiver of any such term nor bar any enforcement rights.

6. <u>Notice</u>. Whenever notice to the Grantee (other than the annual certification) or approval from the Grantee is required, the Party providing such notice or seeking such approval shall identify the Controlled Property by referencing the following information:

County, NYSDEC Site Number, NYSDEC Brownfield Cleanup Agreement, State Assistance Contract or Order Number, and the County tax map number or the Liber and Page or computerized system identification number.

Parties shall address correspondence to:

Site Number: C915209 Office of General Counsel NYSDEC 625 Broadway Albany New York 12233-5500

With a copy to:

Site Control Section Division of Environmental Remediation NYSDEC 625 Broadway Albany, NY 12233

All notices and correspondence shall be delivered by hand, by registered mail or by Certified mail and return receipt requested. The Parties may provide for other means of receiving and

communicating notices and responses to requests for approval.

7. <u>Recordation</u>. Grantor shall record this instrument, within thirty (30) days of execution of this instrument by the Commissioner or her/his authorized representative in the office of the recording officer for the county or counties where the Property is situated in the manner prescribed by Article 9 of the Real Property Law.

8. <u>Amendment</u>. Any amendment to this Environmental Easement may only be executed by the Commissioner of the New York State Department of Environmental Conservation or the Commissioner's Designee, and filed with the office of the recording officer for the county or counties where the Property is situated in the manner prescribed by Article 9 of the Real Property Law.

9. <u>Extinguishment.</u> This Environmental Easement may be extinguished only by a release by the Commissioner of the New York State Department of Environmental Conservation, or the Commissioner's Designee, and filed with the office of the recording officer for the county or counties where the Property is situated in the manner prescribed by Article 9 of the Real Property Law.

10. <u>Joint Obligation</u>. If there are two or more parties identified as Grantor herein, the obligations imposed by this instrument upon them shall be joint and several.

IN WITNESS WHEREOF, Grantor has caused this instrument to be signed in its name.

SCHEDULE "A" PROPERTY DESCRIPTION

ALL THAT TRACT OR PARCEL OF LAND situate in the City of Buffalo, County of Erie and State of New York, being part of Lots Nos. 15, 18, 19 and 22, Township 10, Range 7 of the Buffalo Creek Indian Reservation, more particularly described as Subdivision Lot Nos. 26, 27, 49, 50, 101 and 102, Bayard Street and parts of Lester Street and Hayes Place (formerly Thompson Street) as shown on a map filed in the Erie County Clerk's Office under Cover No. 552, and more, bounded and described as follows:

Beginning at a point of intersection of the northwest line of Bailey Avenue as now laid out and the northeast line of Lot No. 15, said point also being the northeast corner of the Erie County. Industrial Development Agency by deed recorded in Erie County Clerk's Office in Liber 8884 of Deeds at page 682;

Thence northwesterly along the northeast lines of Lots Nos. 15 and 18, which is the southwest line of the lands of Conrail, formerly the Pennsylvania Railroad or the Penn-Central Railroad, a distance of 766.81 feet to the true point of beginning;

Thence southwesterly at an exterior angle of 90° 07' 26" and in part along the face of a concrete block and metal building known as Building "L", a distance of 134.91 feet to the southeast corner of Building "L";

Thence northwesterly at an interior angle of 90° 03' 25" and along the southwest wall of said building, a distance of 188.42 feet to a point in the northwest face of a metal building known as Building "W";

Thence southwesterly at an exterior angle of 90° 05' 48" and along the northwest face of said Building "W" and its extension southwesterly, a distance of 309.47 feet to a point;

Thence southeasterly at an exterior angle of 89° 40' 26", a distance of 569.79 feet to a point in the northwest line of Buffalo China Road, formerly New Bailey Avenue;

Thence southwesterly along the northwest line of said Buffalo China Road, a distance of 32.92 feet to a point in the north line of the lands owned by the New York State Thruway and formerly owned by the Lehigh Valley Railroad;

Thence westerly along the lands of the New York State Thruway, a distance of 168.26 feet to a point in the northwest line of the Erie County Industrial Development Agency as recorded in Erie County Clerk's Office in Liber 8884 of Deeds at page 682;

Thence northeasterly at an interior angle of 46° 48' 05" and along the northwest line of said Erie County Industrial Development Agency, a distance of 82.58 to a point;

Thence northwesterly at an exterior angle of 90° 00' 00" and along the southwest line of said Erie County Industrial Development Agency, a distance of 467.81 feet to a point in the northwest line of Frank Lenahan and Sons as recorded in Erie County Clerk's Office in Liber 4049 of Deeds at

page 561;

Thence southwesterly at a measured exterior angle of 90° 00' 00" and along said northwest line of Frank Lenahan and Sons, a distance of 147.60 feet to a point;

Thence southeasterly at right angles, a distance of 22.31 feet to a point;

Thence southwesterly at right angles and along said northwest line of Frank Lenahan and Sons, a distance of 50.0 feet to a point in the northeast line of Frank Lenahan and Sons as recorded in Erie County Clerk's Office in Liber 3049 of Deeds at page 209;

Thence northwesterly at right angles and along said northeast line of Frank Lenahan and Sons, a distance of 199.0 feet to the southeast line of Hayes Place, formerly Thompson Street, as shown on a map filed in Erie County Clerk's Office under Map Cover 552;

Thence northeasterly along the southeast line of said Hayes Place, a distance of 391.61 feet to the intersection of the extension southeasterly of the southwest line of Subdivision Lot No. 50 on said Map Cover 552;

Thence northwesterly at an exterior angle of 89° 48' 44" and along the southwest lines of Subdivision Lots Nos. 50, 101 and 26, a distance of 487.99 feet to the southwest corner of Subdivision Lot No. 26, which is on the west line of Lot No. 19;

Thence southwesterly along the west line of Lot No. 19, a distance of 39.50 feet to a point;

Thence northwesterly at right angles to Harrison Street, a distance of 123.37 feet to the southeast line of Harrison Street as shown on Map Cover 552;

Thence northeasterly along the southeast line of Harrison Street, a distance of 251.04 feet to a point in the southwest line of Penn-Central Railroad as recorded in Erie County Clerk's Office in Liber 8758 of Deeds at page 266;

Thence northwesterly along the southwest line of said Penn-Central Railroad, a distance of 275.74 feet to a point;

Thence northeasterly at right angles, a distance of 100.0 feet to a point in the northeast line of Lot No. 22;

Thence southeasterly at right angles and along the northeast lines of Lots Nos. 18, 19 and 22, which is the southwest line Conrail, a distance of 1273.63 feet to the true point of beginning, containing 9.73 Acres more or less.
