K. Unless otherwise expressly provided herein, terms used in this Agreement which are defined in ECL Article 27 or in regulations promulgated thereunder shall have the meaning assigned to them under said statute or regulations.

L. Applicant's obligations under this Agreement represent payment for or reimbursement of response costs, and shall not be deemed to constitute any type of fine or penalty.

N. The effective date of this Agreement is the date it is signed by the Commissioner or the Commissioner's designee.

SUBJECT: Past Costs Associated with Pending Brownfield Cleanup Agreement
NOCO #S41, BCP #C915211, Related Spill ID #0275425

DATE: MAY 14 2007

The purpose of this cost summary is to provide the past costs figure to the Division of Environmental Enforcement for insertion into the pending Brownfield Cleanup Program (BCP) Agreement. That is, whenever an applicant is a participant, Paragraph V. Payment of State Costs of the boilerplate agreement requires the applicant to pay past costs within 45 days of the effective date of the agreement.

On April 25, 2007, a letter was sent to NOCO Energy Corporation indicating that their BCP application was complete and an eligibility determination is expected to be made within 45 days of the date of the letter. This cost recovery summary provides available costs incurred by the Department of Environmental Conservation (the "Department") to date. There may be additional future costs associated with this site that are not included in this summary.

The total unreimbursed costs incurred by the Department through March 21, 2007, in association with the NOCO #S41 Site are \$0.00. This amount includes emergency response costs incurred at the site by a hazardous material spill, if any. Spill ID #0275425 is a petroleum spill, any costs incurred by the Oil Spill Fund would be recovered separately by the Office of the State Comptroller and are not included in this summary. Costs incurred by the Department of Health are not included since they are not readily available. Please note that there are no open contracts for this site at this time for which we have outstanding obligations.

Please contact S. Bolesky at (518) 402-9732, if you have any questions on this summary.
